**HEARD FROM AFTER YEARS OF SILENCE**

Brother of Union Patrieide Writes After Long Absence.

Union, S. C., Dec. 5.—A letter was received last week by a prominent Jonesville citizen from Roland Coleman, brother of Harry Coleman who was convicted of killing his father at the last term of court, giving instructions as to his father's estate. This son left home many years ago, and had not been heard from for several years. Those who have seen the letter express the firm conviction that it was written by Roland Coleman. This gentleman who received the letter is satisfied it was written by Roland Coleman. The letter, omitting the name of the addressee, is as follows: "Denver, Colorado, Nov. 17, 1913.

"Dear Mr. — As you are the last man I saw from Jonesville, S. C., I will write you a few lines. This leaves me well but not satisfied, since seeing what I have in the papers. I want Cousin John Kendrick to take charge of my part of the land and my part of the money and take care of it for me and pay himself for his trouble. Mr. —, myself and two other fellows will start on a trip to Australia in two or three days and we will be gone at least three years. Tell John Kendrick if he doesn't hear from me in four years that he can have my land and money to do as he pleases with. I don't want Harry to have any of my part after doing like he has. When I left home, John Kendrick did something for me that I never will forget. It was something that my own folks would not do for me. Mr. — I left Roanoke, Va. and went to Ohio. I have been in several states since that. I would come home if it was not for this trip. The boys that I am going with have got a bunch of money. It will not cost me anything to take the trip. Tell John that I may draw on him for some money sometime. Mr. — I do not think I will ever see the old home again but I will write again if I live. I would like to have a letter from you but I cannot tell where we will stop, so I will close.

"Yours truly,  
"Roland Coleman."

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

**WOMEN SUBJECT TO KIDNEY TROUBLES**

I beg to say that I have been a constant sufferer with severe pains in my back and was on the verge of nervous prostration resulting from kidney trouble and other complications. A friend of mine recommended Dr. Kilmer's Swamp-Root as a sure cure for these troubles. Acting upon her advice I began taking Swamp-Root and began to improve before I had finished the first bottle. I continued its use until I had taken several bottles and continued to improve until I was completely cured. I am happy to say that I am as well as any woman on earth and have been so for the past nine years, thanks to Dr. Kilmer's Swamp-Root, and I cheerfully recommend it to all who suffer from kidney troubles.

Very truly,  
MRS. ALVA BAXTER,

Subscribed and sworn to before me this 21st day of March, 1912.
