MOTHER! YOUR CHILD IS CROSS, FEVERISH, FROM CONSTIPATION

If tongue is coated, breath bad, stomach sour, clean liver and bowels.

Give "California Syrup of Figs" at once—a teaspoonful today often saves a sick child tomorrow.

If your little one is out-of-sorts, half-sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that its little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs" and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

Mothers can rest easy after giving this harmless "fruit laxative", because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a bottle of "California Syrup of Figs" then see that it is made by the "California Fig Syrup Company".

"TRY 'CASCARETS' FOR LIVER AND BOWELS IF SICK OR BILIOUS

Tonight! Clean your bowels and stop headache, colds, sour stomach.

Get a 10-cent box now.

Turn the rascals out—the headache, biliousness, indigestion, the sick, sour stomach and bad colds—turn them out tonight and keep them out with Cascarets.

Millions of men and women take a Cascaret now and then and never know the misery caused by a lazy liver, clogged bowels, or an upset stomach.

Don't put in another day of distress. Let Cascarets cleanse your stomach; remove the sour, fermenting food; take the excess bile from your liver and carry out all the constipated waste matter and poison in the bowels. Then you will feel great.

A Cascaret tonight straightens you out by morning. They work while you sleep. A 10-cent box from any drug store means a clear, clean, sweet stomach and clean, healthy liver and bowel action for months. Children love Cascarets because they never sicken or sicken.

TILMAN WILL RUN IF PEOPLE INSIST

Senior Senator Says Only "Conscription" Will Make Him Change His Mind.—Says Public Must Decide.

Trenton, Oct. 6.—Knowing that the people of the State were anxious to learn the probable attitude of Senator Tillman in the next senatorial race, since the papers have been discussing the matter, this correspondent sought an interview with him this morning. The Senator was averse to saying anything on the subject, because of his statement two years ago that he would retire at the end of his present term. When it was brought to his attention that this country had become involved in the most gigantic war of all history since that time, and that his services were more needed now than ever, he said:

"I have received many letters from old friends, and from many who have never supported me before, urging me to be a candidate to succeed myself, notwithstanding my declaration two years ago that I would retire. When I make up my mind, it is not often that I change it. I do not wish to be a candidate, my family wish me to retire from public life. But on account of the fact that we are at war, and that the President needs the undivided support of his party, I have recently said that the only condition on which I would be a candidate was for the people to 'conscript' me. In other words, I must be convinced that they really want me to run, or I shall retire as previously announced."

The Senator is receiving many letters urging him to be a candidate again, to all of which he has answered as above. It is a matter that is up to the people as to whether the Senator shall again represent them, as he has done for so long and so acceptably to the large majority of the voters of the State. "Their wishes can be made known either by letter or petition, and what is done should be done quickly. The opposition is very busy, and it is high time the friends of the present (Democratic) administration make known their wishes."

EAT WITHOUT FEAR OF INDIGSTION OR SOUR, ACID STOMACH

Instant relief! "Pape's Diapepsin" ends your stomach distress. Try it!

Wonder what upset your stomach—which portion of the food did the damage—do you? Well, don't bother. If your stomach is in a revolt; if sick, gassy and upset, and what you just ate has fermented and turned sour; head dizzy and aches; belch gases and acids and eructate undigested food, breath foul, tongue coated—just take a little Pape's Diapepsin to help neutralize acidity and in five minutes you wonder what became of the indigestion and distress.

Millions of men and women today know that it is needless to have dyspepsia. A little Diapepsin occasionally keeps the stomach sweetened and they eat their favorite foods without fear.

If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless relief is Pape's Diapepsin, which costs only fifty cents for a large case at drug stores. It's truly wonderful—it stops fermentation and acidity and sets things straight, so gently and easily that it is really astonishing.

SOME VERY HIGH PRICES are being asked, these days, for some very ordinary shoes and the shoe problem requires particular attention.

That shoes have advanced in price is a fact well known by everybody.

Unscrupulous manufacturers, in order to keep prices down, have lowered the quality of their shoes and placed on the market many shoes that are almost worthless—shoes that are expensive to buy at any price. Poor shoes are always expensive.

This House of Good Shoes protects its trade by furnishing the best shoe values at any stated price that money can buy. Our shoes are made by the best of makers and selected for our trade with the greatest care.
