HAVE HE CONSIDERED ME?

On the outside of this issue we publish a full account of the pardon of Gen. Wm. A. New, and also the protest of Attorney General Holloman. The pardon given to one of the persons for the pardon of New, that the pardon was urged by the families on his official bond, not only by their signatures to the petition, but also by letters and personal interviews. The petition stated that New had paid the full amount for which his official bond was made, and one of the signers of the petition stated that New had paid up all moneys demanded by the State from them, and that they had been reimbursed by New in a short time after settling with the State, and that to his trial for treason at most was a full and complete acquittal. The petition also stated that New had paid the full amount for which his official bond was made, and one of the signers of the petition stated that New had paid up all moneys demanded by the State from them, and that they had been reimbursed by New in a short time after settling with the State, and that to his trial for treason at most was a full and complete acquittal.

The nets are made without folds on the sides or in the head-piece, giving perfect ventilation to the sleeper. FIVE REASONS WHY YOU SHOULD BUY THE DIXIE. 1st. It affords the best ventilation, having a head-piece 5 feet square without folds or cross sticks; the hot air readily escapes, and the net being free from folds on the sides and foot of bed the cool air easily rushes in to fill the vacuum.
