Miss Mackay has charge of the girls.

Students may enter at any time during the term, and are charged only from date of entrance.

A liberal deduction made when three or more children attend from the same family.

Boys and girls are prepared for the Sophomore Class in any College or for a successful business life.

Neatness of person, polite manners and a high sense of honor are considered of no less importance than the branches taught, and are therefore inculcated with unremitting assiduity.

Board may be had in good families near the school at ten and twelve dollars per month, including washing and lights.

Boys and girls are kept separate and no intercourse allowed.

A liberal share of public patronage is respectfully solicited.

The Improved Water Elevator and Purifier.

Orangeburg, S. C.

If you would enjoy good health you must use pure water. To the citizens of Orangeburg, Aiken, Edgefield, Hampton, and Barnwell counties: Having purchased the exclusive right of said counties for the improved Water Elevator and Purifier, we offer the same for sale. This Elevator has no superior. It is simple, cheap and durable, having no wooden tubing to decay and pollute the water. No iron tubing to rust or corrode. No flanges or valves to wear out or get out of order. Requires no attachment below the platform and will last THREE TIMES as long as any pump. Will make bad water good, and good water better. A thorough investigation is all that is necessary to convince you of its merits.

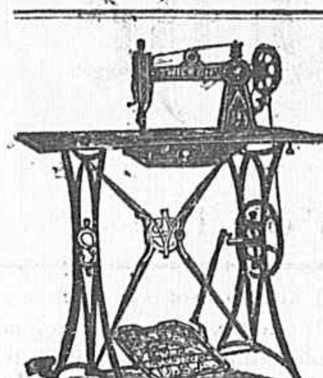
LIGHTNING SEWER



THE NEW WILSON

Oscillating Shuttle

SEWING MACHINE

is wonderful in its conception, unprecedented for doing a large range of sewing in textile fabrics and leather. Its motions are continuous, admitting of an extraordinary rate of speed, either by steam or foot power. Every motion of the treadle makes six stitches, thus producing about one-third more work in a day than other Sewing Machines. It has no stop motions, and tightens the stitch with the needle out of the fabric. It uses the well-known Wilson Compound Feed on both sides of the needle. It has two-thirds less parts than any other first-class Sewing Machine. Its arm is fully eight and one-half inches long and five and one-half inches high, and the whole Machine is very compactly and scientifically constructed in proportions, elegance, design and appearance. Its simple, powerful and perfect mechanism places it as far in advance of all other Sewing Machines as the telephone is superior to the tin speaking tube. The WILSON MENDING ATTACHMENT, for repairing all kinds of textile fabrics WITHOUT PATCHING, furnished FREE with all WILSON SEWING MACHINES, together with a Tucker, Ruffler, Corder, Set of Hemmers, Binder, etc.

These Machines are on exhibition and for sale by

THE BEST REMEDY

FOR

Diseases of the Throat and Lungs.

Diseases of the pulmonary organs are so prevalent and fatal, that a safe and reliable remedy for them is invaluable to every community. AYER'S CHERRY PECTORAL is such a remedy, and no other so eminently merits the confidence of the public. It is a scientific combination of the medicinal principles and curative virtues of the finest drugs, chemically united, to insure the greatest possible efficiency and uniformity of results, which enables physicians as well as invalids to use it with confidence. It is the most reliable remedy for diseases of the throat and lungs that science has produced. It strikes at the foundation of all pulmonary diseases, affording prompt and certain relief, and is adapted to patients of any age or either sex. Being very palatable, the youngest children take it without difficulty. In the treatment of ordinary **Coughs, Colds, Sore Throat, Bronchitis, Influenza, Clergyman's Sore Throat, Asthma, Croup,** and **Catarrh,** the effects of AYER'S CHERRY PECTORAL are magical, and multitudes are annually preserved from serious illness by its timely and faithful use. It should be kept at hand in every household, for the protection it affords in sudden attacks. In **Whooping-cough** and **Consumption** there is no other remedy so efficacious, soothing, and helpful.

The marvellous cures which AYER'S CHERRY PECTORAL has effected all over the world are a sufficient guaranty that it will continue to produce the best results. An impartial trial will convince the most sceptical of its wonderful curative powers, as well as of its superiority over all other preparations for pulmonary complaints.

Eminent physicians in all parts of the country, knowing its composition, recommend AYER'S CHERRY PECTORAL to invalids, and prescribe it in their practice. The test of half a century has proved its absolute certainty to cure all pulmonary complaints not already beyond the reach of human aid.
