STATE DEMOCRATS MEET.

Manning Forces in Control of Convention—Tillman Re-elected National Committeeman—Evans Re-elected State Chairman.

(From The State).
The State Democratic convention meeting in Columbia yesterday afternoon and last night adopted a progressive platform, endorsed the administration of President Wilson, refused to abolish the county-to-county political campaign, received petitions from the State Equal Suffrage league, declined to allow John L. McLaurin to enter the primary as warehouse commissioner to defend the system and discussed many problems of importance to the party.

"Big Eight."
Eight delegates at large to the national Democratic convention at St. Louis with one-half vote each were elected by the State convention as follows:

Gov. Richard I. Manning, United States Senators B. R. Tillman and E. D. Smith, John Gary Evans, L. D. Jennings, W. P. Pollock, John G. Clinkscales and T. T. Hyde.

It was decided also not to elect alternates to the delegates at large but that the delegation as a whole select the alternates from the 14 district alternates. The State delegation was instructed to vote as a unit on all questions.

John H. Clifton moved that the convention elect eight delegates at large with one-half vote each instead of four delegates at large. The motion was carried.

David R. Coker nominated Gov. Richard I. Manning, which was followed by applause. Others nominated were: B. R. Tillman, T. T. Hyde, Charles Carroll Simms, John G. Clinkscales, E. D. Smith, T. C. Duncan, John G. Richards, John Gary Evans, L. D. Jennings, W. P. Pollock.

On motion of Mr. Blakeney the nominations were closed.

Vote for Delegates.

The number of votes each nominee received follows:
Manning, 310; Tillman, 274; Smith, 277; Evans, 273; Clinkscales, 284; Hyde, 276; Pollock, 252; Jennings, 234; Simms, 41; Richards, 62; Duncan, 55. The first eight named were declared elected.

The convention adjourned sine die at 1:40 o'clock.

The delegates at large and the district delegates will be sent to the national convention at St. Louis instructed to vote for the renomination of President Wilson and Vice President Marshall.

The convention was marked by many contests and much debate.

Evans Elected.

Ex-Gov. M. F. Ansel nominated John Gary Evans of Spartanburg for State chairman. William A. Stuckey of Lee county, the Blease candidate, was nominated by Olin Sawyer of Georgetown. W. A. James of Lee county, in seconding Mr. Stuckey's nomination, asked why the places should not be changed from time to time. Senator Carlisle seconded Mr. Gary's nomination.

Out of 231 votes Mr. Evans got 257 and Mr. Stuckey 74.

On motion of Mr. Henderson all resolutions were referred to the committee on resolutions.

The convention took a second recess at 6:05 o'clock until 8:30 o'clock last night.

RESOLUTIONS OF RESPECT.

Whereas, our Heavenly Father has seen fit to remove from our midst one of our charter members, Bro. B. G. Wilburn, one whose interest in our chapter knew no bounds, one who zealously worked to promote the principles for which our order stands, and one whose faithful attendance on our meetings attested the faith that was in him. Therefore, we deem it fitting that by resolution in our meeting assembled, we pay tribute to his faithfulness, and endeavor to express, in a measure, the sense of loss we feel by this testimony of regret.

"For it is written in Heaven
What he has given;
Placed on the records in letters of gold;
Read by the spirits
Judge of merits,
Some day his name to us all will be told."

Therefore be it resolved:

1st. That in the passing of our brother we feel our great loss. That we shall hold as sacred the tender memories of our past associations, and that we shall ever be grateful for the help he has given us;

2nd. That we tender to his family assurance of our sympathy in their great bereavement. That we remind them that "He who tempers the wind to the shorn lamb" looks down with infinite compassion in the hour of their desolation, and that He will fold His arms of love and protection around those who put their trust and faith in Him;

3rd. That a page be inscribed in our record book to his memory; that a copy of these resolutions be given to his family; that a copy be sent to our county papers for publication, and that as a further mark of respect we ask their adoption by a rising vote.

Respectfully,

Mrs. Mary P. Hollis,
Mrs. Kate Alverson,
W. P. Patton.

THE WHITE CARNATION.

Here's to the White Carnation,
Sturdy and spicy and sweet,
Wafting a breath of perfume
On the stony way of the street,
Bringing a freight of gladness
Wherever the breezes blow;
Here's to the white carnation
Pure as the virgin snow.

This is the flower for mother,
Wear it on Mother's Day;
Flower for rain and sunshine,
Winsome and gallant and gay.
Wear it in mother's honor,
Pinned on the coat's lapel;
Wear it in belt and corsage
For her who has loved you well.

So here's to the white carnation,
Wear it on mother's day;
Flower that blooms for mother,
Winsome and gallant and gay,
Flower of a perfect sweetness,
Flower for hut and hall,
Here's to the white carnation,
And to mother—our best of all.
—Margaret Sanster.

RESCUED FROM TERRIBLE SUFFERING FIRE

Mr. H. M. Woorell, policeman, who has been an officer at Florence for ten years, said to the demonstrator of Waco Tonic, "My wife has been a sufferer for several years with Stomach Trouble, Indigestion, Nervousness and Female Weakness. She underwent two serious operations and used a number of advertised remedies and had the best of medical skill to treat her, and in all this she only got partial relief. She has now used one bottle of Waco Tonic, and I can say it did her more good than everything else we did for her. I am glad your wonderful Remedies were ever put in our reach. I do not hesitate to say it is the best medicine ever introduced in our town, and I know that a trial of Waco Tonic will convince the most skeptical that it is a reliable medicine. I also used it myself and find that Waco Tonic will do all it is recommended to do."

Now this wonderful Waco Tonic can be had from The Milhous Drug Store at the advertising price while his present stock lasts. The regular
