LOCKHART JUNCTION

Lockhart Junction, Aug. 7.—The time for protracted meetings and picnics are here, but it seems the farmers in the country are not ready to attend.

The preaching at New Hope has been put off until the third Sunday in August.

The Rural School association gave a reception at the Gault school house last Saturday evening from 7 to 11 o'clock. Every home in the district was represented except one or two and there was a large gathering. This was in honor of the teachers. The speakers were Rev. Belmont, Rev. Gault, Prof. Hope and the principal of the school, Mr. Erwin. All made appropriate speeches for the occasion. Refreshments were served and plenty of music furnished on piano, violin and guitar and every one enjoyed the occasion.

Mr. R. C. White, who is on the railroad survey from Spartanburg county through Union was a visitor here Sunday to see his brother, Mr. R. L. White.

I met Mr. M. L. Becknell, who is now living at Chester at the Junction today. He has been to visit his father, Mr. B. M. Becknell.

Mr. C. L. Gault, who has been in the hospital at Columbia, has been at home for a few days the past week. We are glad to learn that he did not have to stand the dangerous operation that he once thought he would have to stand.

Rev. J. S. Thrasher tells me he will begin a protracted meeting at Elford Grove school house next Saturday, the 12th, preaching only at night. The public is invited to attend these services.

Mr. and Mrs. W. C. Edmonds was made glad to have a visitor at their home last Saturday. He was a baby boy, Emond, the Second.

Two cars of soldier boys passed by the Junction today. They seem to be in good spirits as they saluted us as they passed by. Moxey.

ATTENTION, DEMOCRATS.

This is to notify all those who failed to enroll upon the Democratic of the county, that there will be a meeting of the executive committee on Saturday, next, at 10 o'clock A. M., in the Court House, for the purpose of allowing you to put yourselves upon the roll of your club, provided that your excuse in not having done so heretofore is considered sufficient.

A UNION INTERVIEW.

Mrs. Fowler Tells Her Experience.

The following brief account of an interview with a Union woman over six years ago, and its sequel, will be read with keen interest by every citizen.

Mrs. G. W. Fowler, 17 Church St., Union, gave the following account of her experience with Doan's Kidney Pills on February 17, 1908. She said: "I suffered from weak kidneys and felt miserable in every way. I used different medicines, but without much success until I got Doan's Kidney Pills from the Palmetto Drug Co. They acted directly on my kidneys, removed the pain and made me feel a great deal stronger."

A PERMANENT CURE.
OVER SIX YEARS LATER, Mrs. Fowler said: "The cure I spoke about in my former statement has been permanent."
