

# Ever Have This Happen to You?

You walk into a store, the salesman is all smiles until he learns you want a collar, and then he runs away from you, thought you wanted a suit of clothes or something. We don't tolerate "sorting sales" around here. When a visitor favors us with a call we feel highly honored.

No matter how trifling the sale it is worthy of our best attention. The collar Customer of today is the clothes purchaser of tomorrow. The Salesperson who differentiates between the size of one purchase and another is too short sighted to find a place in our organization.

We are receiving Fall Clothes from Strouse & Bros., Baltimore, Md., we have some desirable colors and patterns to offer the Men and Young Men this Season.

### Ralston Shoes

are particularly made for particular men. After you have looked around "a bit" come in and look over our Ralstons. Then you will understand why particular men prefer this particular kind of a shoe. We have them in Longwood, Bon Ton, Thermos, National and Rotary Last. Colors Black and Tan.

We still have a good stock of Stetson Hats, Colors, Green, Black, Brown and Clear Nutria.

When in town call in to see us. We are headquarters for Clothing, Shoes and Gents Furnishings.

The citizens of Chesterfield are requested to assemble at the cemetery next Friday morning for the purpose of cleaning up the leaves and shrubbery and putting the grounds in better shape and more slightly appearance.

### FORMER RUBY MAN

### DIES IN GEORGIA

The town of Ruby was shocked last Thursday by a telegram announcing the sudden death, at Pavo, Georgia, of Dr. J. B. Threath, Dr Threath located at Ruby in 1894 and practiced there sixteen years, prior to his removal to Pavo. He was well beloved by the people of Ruby and of Chesterfield county, both as a citizen and as a physician. Dr. Threath was a native of South Carolina, a son of the late Dr. T. Threath, who died fifteen years ago. Dr. J. B. Threath was married in 1890 to Miss Lea West, of Westville. He leaves one brother, Mr. P. V. Threath and Mrs. W. H. Sellers, both of Ruby.

## WHAT IT COST

### THE CANDIDATES

In accordance with the law requiring candidates to file their electioneering expense accounts with the Secretary of State, most of the candidates for the higher offices had stated the amounts so expended by them at the end of last week.

George Warren led with an expenditure of \$4,023.27. Senator Smith was a close second, his expenses totaling \$3,790.

Hon. W. P. Pollock spent \$720; Hon. W. F. Stevenson \$204.80. W. C. Irby got off with an account of \$774.93.

### Hot Stuff

A preacher was describing the "bad place" to a congregation of naval cadets.

"Friends," he said, "you've seen molten iron running from a furnace, haven't you? It comes out white, hot, sizzling and hissing. Well—"

The preacher pointed a long, lean finger at the lads. "Well," he continued, "they use that stuff for ice cream in the place I have just been speaking of."—New York Central Magazine

## CONVENIENT AND SAFE

No need for matches when you have Delco-Light. Just press a convenient button and you have immediate light—bright, clean and safe. Just snap a switch and have electric power for operating light machinery.

## WHITLEY FAMILY REUNION

The annual reunion of Mr. Phillip Whitley's family took place last week at the family home in Union County, N. C., six miles from Pageland. Over two hundred relatives were present and a most enjoyable time was had by all. Hon. G. K. Laney was master of ceremonies.

Mrs. H. W. Pusser, of Chesterfield, held the position of honor, being the oldest child.

Other children present were: Mrs. Cull Baucom and family, of Union County.

Dr. A. D. N. Whitley, of Unionville, Mr. P. L. G. Whitley and family, of Union County.

Dr. A. M. D. Whitley and family, of Mint Hill, N. C.

Mrs. Kemp Helms and family, of Union County.

Mr. H. M. B. Whitley, of Rayford, N. C.

Dr. Lloyd Whitley, of Crawford, Ga.

Mr. H. W. Pusser delivered to annual address.

### BUILDING NOTES

Exterior work on the W. C. Sellers ginney is about completed. Engines and other machinery is being set in place and the plant will be ready for the first bale shall arrive.

The foundation of Mr. J. T. Hurst's warehouse has been laid and the framework is going up rapidly. It is expected to have this big building in readiness for business within the next two weeks.

Mr. H. D. Watson is putting the finishing touches on the brick work of his new Main street store.

The new grocery building of Messrs. Eddins and Davis is receiving the final touches of the plasterers. The glass front has been placed in position.

Mr. H. H. Harrall's filling station has been completed. The gas and oil tanks are in the ground and driveways from Main street and Page Avenue will be graded within a few days.

Work will start shortly on the new Main street residence of Mr. G. W. Eddins. It is Mr. Eddins' intention to equip this house with a lighting and running water plant. It is hoped to have this building completed in November; not September, as erroneously stated in last week's Advertiser.

### OPENING ANNOUNCEMENT

The Chesterfield Filling Station is Ready For Business

The Chesterfield Filling Station, at the corner of Main street and Page avenue, is about completed. We will open for business Thursday, September 2. We will sell only for cash. We carry gas, oils, grease, tires, tubes, etc.

An air compressor is on the way here and within a week we hope to have free air on tap for your convenience.

The new station is very convenient of access and will be conducted in the interest of the motorists of Chesterfield County, as well as of the owners.

Our motto will be politeness and courtesy whether you want 50 gallons of gasoline or 100 pounds of free air.

We will thank you for a trial. The Chesterfield Filling Station.

## RUBY LAY-BY SCHOOL CLOSES

The Ruby Lay-By School closed Wednesday afternoon August 25 at 2 o'clock with a short commencement exercise. The program consisted of readings by the pupils from the Bible, The Lay-By Messenger and the First and Second Country Life Readers.

One pupil who had only been four days and could not read before, read a page in his reader. After the readings a number of the pupils voluntarily told the people what the school meant to them and expressed their appreciation to the people and to the teacher who made it possible for them to attend this school.

The visitors, then, spoke words of encouragement to the school and congratulated the pupils on the splendid work that had been done.

A very pretty ring was given Miss Gaddy by the school as a token of their appreciation to her for what she had done for them. At the close of the exercise there was a display of the written work done during the month.

There were five men who were presented with the perfect attendance buttons. These buttons were furnished by the State Board of Education.

### CARD OF THANKS

I wish to thank my many friends who so heartily supported me in the primary just closed. As I will be in the second primary, I will greatly appreciate a repetition of your support. W. J. Douglas.

### CARD OF THANKS

To the voters of Chesterfield County, who so loyally stood by me in the race for Coroner, I want to thank each and every one of you for your support and as I am entering a second race to still further contest for his office in a second primary, I again thank all for further support in September 14th, 1920. Gratefully yours, G. H. Gullede.

### THE VALUE OF COVER CROPS

Clemson College, August 31.—In connection with the increased interest now being aroused in cover crops by the cover crop drives being made by various county agents, the facts and figures below are of importance.

Cotton, following cowpeas, gave 511 pounds to the acre cotton, following cotton, yielded only 279 pounds. The results indicate the need of a balanced rotation. In the above instance, according to the Office of Farm Management, United States Department of Agriculture, both plots were of similar soil and each had received 336 pounds of fertilizer to the acre. Oats, planted to follow crab grass, gave 7.1 bushels to the acre, but, coming after velvet beans, the yield was 28.6 bushels—four times as much.

Land left to "rest" does not improve as rapidly as when worked with a good cover crop. When corn was planted every three years and the land left to weeds in the intervals, the yield was only 18 bushels to each acre, but after five years of corn and crimson clover the yield increased to 50 bushels an acre.

### Those Wags

Bix—That's the fourth umbrella I've lost this year.  
Dix—Your overhead expense must be considerable.—Boston Transcript.

# The Economy of Using Goodyear Small Car Tires

So-called bargain tires, made up for sensational sales and offered at ridiculously low prices, do not attract careful buyers.

They are far more concerned with what they get than with what they pay because they know that in the end it is performance and not price that delivers actual tire economy.

The popularity of Goodyear Tires, of the 30 x 3-, 30 x 3 1/2- and 31 x 4-inch sizes, is based on the fact that they deliver exceptional mileage at exceedingly low cost.

If you own a Ford, Chevrolet, Dort, Maxwell or other car taking these sizes, go to your nearest Service Station for Goodyear Tires and Goodyear Heavy Tourist Tubes.

30 x 3 1/2 Goodyear Double-Cure Fabric, All-Weather Tread..... \$23.50

30 x 3 1/2 Goodyear Single-Cure Fabric, Anti-Skid Tread..... \$21.50

Goodyear Heavy Tourist Tubes cost no more than the price you are asked to pay for tubes of less merit—why risk costly casings when such sure protection is available? \$4.50 30 x 3 1/2 size in waterproof bag
