### A Sudden Death.

Robt. F. MacLachlan, M. D., of Albuquerque, died of a hemorrhage at the Clark House this morning at about 9 o'clock.

Mr. MacLachlan was in the employ of the Equitable Life Assurance Society and was to accompany Bernard Schuster out in the country to examine applicants for insurance. He had examined one applicant this morning, and appeared to be in the best of spirits, when he was seized with a violent cough, he got out of the buggy, pulled off his overcoat and staggered into the office, sat down and pulled up a cuspidor and the blood began to flow. Messrs. Clark and Schuster followed him in and asked if they could do something for him, he replied, "I am dying, notify the Masonic Lodge." The masons took charge of the remains and have notified his relatives, also the A. F. & A. M. Lodge, at Cooperstown, N. D., of which he was a member.
