GIVEN UP TO DIE,

But Our Great Cod Liver Oil Preparation, Vinol, Cured Her of Consumption.

Mrs. J. G. Brown of Anderson, Ind., writes: "Our daughter Mary was on the verge of the grave with consumption. Our family physician had given her up—said she could not possibly recover. She was so weak she could take only half a teaspoonful of nourishment at a time. We read an advertisement of Vinol, and decided to try it as a last resort. She has now taken eight bottles, and her health has been restored in a marvellous manner, and she is as well as ever she was. Words are

MISS M. BROWN.

inadequate to express our gratitude to you and your valuable remedy, and we hope that other dear ones may be saved as ours was."

The reason that Vinol accomplishes such wonderful results in throat, bronchial and lung troubles is because it contains in a concentrated form all the vital principles of cod liver oil, but without a drop of oil to nauseate and upset the stomach and retard its medicinal value; the weakest stomach can retain it and it is delicious to the taste.

Vinol is the most valuable preparation of cod liver oil ever discovered, and we ask every person in Gainesville who has a bad cold, hacking cough, throat or bronchial troubles to try Vinol on our guarantee to return your money if you are not satisfied with the results. W. M. Johnson, druggist.

1st. This is one of the greatest treats of the program.

Tuesday, March 14.—2:30 p. m., "Wireless Telegraphy" and "Radium," illustrated by the finest apparatus carried by any lecturer, accompanied by multitudes of marvelous experiments, Prof. W. B. Patty, Chicago, Ill.; 8:00 p. m., Lecture: "Liquid Air," one of the greatest discoveries of modern times. The most expensive lecture known to the platform. Startling and beautiful in the extreme. Prof. W. B. Patty, Chicago.

A number of other good things pending, to be added later.

This is one of the greatest programs ever given in the South.

Chamberlain's Stomach and Liver Tablets. Unequalled for Constipation.

Mr. A. R. Kane, a prominent druggist of Baxter Springs, Kansas, says: "Chamberlain's Stomach and Liver Tablets are, in my judgment, the most superior preparation of anything in use today for constipation. They are sure in action and with no tendency to nauseate or gripe. For sale by all druggists."

Frozen Hydrants Hinder Firemen.

New York, Feb. 22.—Frozen hydrants so interfered with the work of the firemen today when a fire started in a big factory building in Greenwich street, that what at first seemed rather an insignificant blaze called for four alarms, and resulted in a loss of fully \$100,000. The fire was in the factory of Philip Hano & Co., manufacturers of manifold books, carbon papers and autograph machines.

To Cure a Cold in One Day Take Laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. E. W. Grove's signature is on each box. 25c.

Have you a friend who has a hard cold?

Then tell him about Ayer's Cherry Pectoral. Tell him how it cured your hard cough. Tell him why you always keep it in the house. Tell him to ask his doctor about it. Doctors have known the formula for over sixty years.

When You Have a Cold.

The first action when you have a cold should be to relieve the lungs. This is best accomplished by the free use of Chamberlain's Cough Remedy. This Remedy liquefies the tough mucus and causes its expulsion from the air cells of the lungs, produces a free expectoration and opens the secretions. A complete cure soon follows. This remedy will cure a severe cold in less time than any other treatment, and it leaves the system in a natural and healthy condition. It counteracts any tendency toward pneumonia. For sale by all druggists.

Floods Cause Enormous Loss.

Swainsboro, Ga., Feb. 22.—The most disastrous floods this section has seen in years are in full sway here now. All streams are fuller than they have been for years, and trade is seriously handicapped. Every bridge on the Ochopee river in Emanuel and Tattnall counties is gone. It is safe to say that the damage in these two counties alone is \$200,000. At this writing the rain is falling in torrents, with no sign of abating.

Itch—Ringworm.

E. T. Lucas, Wingo, Ky., writes, April 25th, 1902: "For 10 to 12 years I had been afflicted with a malady known as the 'itch.' The itching was most unbearable. I had tried for years to find relief, having tried all remedies I could hear of, besides a number of doctors. I wish to state that one single application of Ballard's Snow Liniment cured me permanently. Since then I have used the liniment on two separate occasions for ringworm and it cured completely. 25c, 50c and \$1 bottle. Sold by W. M. Johnson."

The lower house of the Hungarian diet today selected Julius Justh, a member of the Kossuth party, to be president of the house. Justh, who was the candidate of the united opposition, secured a majority of 62 over Tölgner, the candidate of the Liberals.
