OFF TO DELAND.

East Florida Seminary Team Will Meet Stetson University Team Today.

The East Florida Seminary baseball team departed yesterday afternoon for DeLand, where they will meet the team of Stetson University on the diamoud. The boys are thoroughly practiced, and their success recently in winning a victory over the University of Florida team makes them confident that they will show the Stetson boys a thing or two.

The Seminary team is composed of the following: Thomas, c; Harmon, p; Carpenter, 1b; Gasque, 2b; Taylor, captain, 3b; Graham, ss; Jacobie, If; Coombs, cf; Boulware, rf; Munch, substitute. Kennedy, coach, and Baxley, manager, accompanied the team.

On their way home the team will stop over in Palatka long enough to give the boys of the Gem City a round and show them how the great National game should be played. 'They expect to return to Gainesville Saturday

PRISONERS ESCAPE.

Got Away From Guard at McDonald's Camp Thursday Morning.

Alfred Wilson, colored, twenty-one years of age, serving time by commitment from justice court at Newberry, escaped from the McDonald turpentine camp Thursday morning, and notwithstanding that the goard fired at the fleeing convict, it was impossible to check his progress. It is said, however, that a piece of the negro's suspender was shot off, and it is believed he was wounded.

Wilson is of ginger-cake complexion and weighs about 150 pounds. His height is five feet ten inches, and has several scars on right hip. Mr. Mc-Donald offers a reward for his capture.

Col. and Mrs. J. B. Lloyd of Indianapolis, Ind., after spending the season pleasantly here, departed for their home yesterday. Col. Lloyd and his estimable wife have many friends here this line. Mail and telegraph orders who are always pleased to see them. promptly attended to. The season just closed makes their eighteenth visit to Gainesville within It will probably be a surprise to the past quarter of a century, and they every way within the past two or three years. He believes that real estate values are now fixed, and that the the choicest of the new ones growth is a steady and substantial
