The ice cream social held on the lawn
surrounding the Episcopal church last
Saturday afternoon was a delightful
affair and was liberally patronized by
the generous people of Madison. Long
before the shades of night fell the
abundant refreshments provided by the
ladies of that church had been disposed
of for a snug sum which will aid
materially in the church work.

Quite a number of Madisonians went
up to Pinetta last Friday night to at-
tend the ice cream social given by the
camp of Woodmen at that place. It was
a delightful affair, delightfully conceiv-
ed and delightfully carried out, and the
refreshments were there in abundance
sufficient to satisfy all the guests. Sev-
eral addresses were made by members
of the order who discussed the several
principles for which and upon which
the order is founded. The Woodmen
of the World is one of the very strongest
of all fraternal organizations its mem-
bership running up into the hundreds
of thousands, and the camp at Pinetta
is composed of the very best people of
that section of the county. This editor
greatly regretted that circumstances
were such as to prevent him from at-
tending.

Supervisor of Registration G. H.
Tedder requests us to state that he has
received information to the effect that
it is reported in certain sections of the
county that he has withdrawn from the
race for re-election as Supervisor of
Registration. The report is untrue,
unwarranted and unfounded, and start-
ed to injure him with the voters on
primary day. By reference to the list
of qualified candidates printed in this
week's paper it will be seen that Mr.
Tedder has qualified by paying in his
assessment and is decidedly in the race
and expects to be until the last vote is
counted. Voters would do well to pay
no attention whatever to such reports
concerning candidates for any office. It
is wrong in any man to start or to
circulate such a report against a candi-
date unless he has the candidate's own state-
ment as to its truthfulness.

Monday afternoon at the home of Mr.
and Mrs. A. Livingston, Rev. T. C.
Bradford united in marriage Mr. Cecil
Phillips and Miss Daisy Webb, both of
Dunnellon. The young lady has been a
student in our school for several months
and by her sweetness of disposition has
made many friends among our young
people who wish her great joy in her
new life. She is a daughter of Mr.
Pope Webb, a native of this county, and
niece of Mrs. A. Livingston. The happy
and fortunate groom is a prominent
young business man of Dunnellon and a
son of Rev. J. T. Phillips of the Florida
Conference. The young people immedi-
ately after the ceremony were
driven to the Seaboard depot where
they boarded the train for their future
home in Dunnellon. The best wishes
and hearty congratulations of the many
friends and acquaintances of the young
couple here attend them.
