## A ROMATIC MARRIAGE.

Mr. and Mrs. Abel W. Wells, who make their winter home in Daytona, received a telegram Monday from their daughter, Miss Clara Angela Wells, saying "I am married."

The bridegroom is Dr. Harrison Joseph Trask, a young physician of Buffalo. The wedding is the culmination of a romance.

Instead of coming to Daytona this winter Miss Wells remained at her home in St. Joseph, Mich. Dr. Trask went there to visit a college chum, Dr. D. N. Barret.

The young people met at a dancing party four weeks ago for the first time. Dr. Trask made a flying trip to Buffalo and on his return met Miss Wells in Chicago. They took a train to Cassapolis, Cass County, Michigan, last Thursday, where they procured a license and were married.

The parents of the bride have never seen the bridegroom and the bridegroom's parents have never seen the bride. The couple are now at the Wellington Hotel, in Chicago.

The bride's father is president of Cooper, Wells & Co., of the Wells-Hyman Company and of the Union Banking Company. He also bears the distinction of being the richest citizen in St. Joseph.

The bridegroom's father is said to be a millionaire iron manufacturer.

### AN ORDINANCE THAT IS VIOLATED.

A city ordinance provides that all physicians, nurses, mid-wives and heads of families shall report to the city physician within twenty-four hours all births, deaths and cases of contagious diseases under a penalty of not more than \$100 fine or imprisonment not to exceed thirty days.

It consumes the vitality faster than nature can replenish it, and we cannot tell just what moment a temporary or complete aberration of the mind will result. Headache and pain should be promptly removed—but properly. Many pain cures are more harmful than the pain. Beware. If you would be safe, take

"As a result of neuralgia I lost the sight of my right eye, and the pain I have suffered is incomprehensible, being obliged to take opiates almost continually. A friend gave me one of Dr. Miles' Pain Pills and it promptly relieved me. I then purchased a box and now my trouble is gone. They have also cured my daughter of nervous headache, and I heartily recommend them to others."—W. J. COXLEY, Bremond, Texas.
