

THE TRUE DEMOCRAT.

JOHN G. COLLINS, Publisher.

PUBLISHED EVERY FRIDAY MORNING.

The residence of County Commissioner E. C. Smith, of Chaires, was struck by lightning a few days ago, but no one was hurt.

Hon. W. M. Ives and Mayor Small, of Lake City, were in the city this week on business connected with that city's new institute.

Miss Clifford Byrd and Miss Fannie Coles, after a most delightful visit to friends and relatives in Monticello, have returned home.

Hon. W. R. Wilson, a companion by his daughters, Miss Wilson and Mrs. Hogans, and Mrs. George Perkins, have gone North on a summer pleasure trip.

We have a few copies left of last week's issue containing the ladies' petition for the pardon of W. L. Taylor for those who may desire to preserve the same.

Mr. Joseph Allen, of the western section of Leon county was exhibiting some pretty samples of apples which came from trees planted on his place only two years ago. He says he has about an acre of them and that the trees now all bear fruit like the samples. They show what can be done raising apples in this county. Come to this office and see the samples.

Parasol Contest.

The parasol contest at the Capital City Pharmacy terminated Monday evening with a count of votes, showing that Miss Pearl McCord was the winner, her vote being 9,858. Miss Lalah Cates came second with 5,723 votes, and Miss Adah Curry brought up the rear with 5,500. Proprietor Louis E. Cohen was justly pleased with the sale of over 21,000 tickets, and will doubtless inaugurate another contest soon.

Gone to Boston.

Nearly every one in Tallahassee will regret to learn of the removal of Mrs. Geo. B. Currie and her interesting family to Boston, Mass., where Miss Adah will enter the Conservatory of Music to perfect her musical education. The move is a sequel to the recent visit of the family to the brother of the late Mr. Currie, in New Hampshire, and is a most fortunate one for Miss Adah, whose musical talent has long been a delight to Tallahasseeans.

Fraud Exposed.

A few counterfeiters have lately been making and trying to sell imitations of Dr. King's New Discovery for Consumption, Coughs and Colds, and other medicines, thereby defrauding the public. This is to warn you to beware of such people, who seek to profit by stealing the reputation of remedies which have been successfully curing disease for over 35 years. A sure protection to you is our name on the wrapper. Look for it on all Dr. King's, or Bucklen's remedies, as all others are mere imitations. H. E. BUCKLEN & CO., Chicago, Ill., and Windsor, Canada. All druggists.

Only one machine in a lifetime is necessary if you buy the Wheeler & Wilson No. 9 from L. C. Yaeger.

Fatal Collision.

On Tuesday quite a serious collision occurred on the A. C. L. near Bainbridge, between a freight train and a lot of empties being shifted. Engineer C. P. Jones was reported instantly killed and brakeman Ed Underwood was so badly injured that he died shortly after the accident.

Rheumatism.

When pains or irritation exist on any part of the body, the application of Ballard's Snow Liniment gives prompt relief. E. W. Sullivan, Prop. Sullivan House, El Reno, O. T., writes, June 6, 1902: "I take great pleasure in recommending Ballard's Snow Liniment to all who are afflicted with rheumatism. It is the only remedy I have found that gives immediate relief." 25c, 50c and \$1.00. For sale by all druggists.

A Good School.

Principal Asa B. Clark, of the Manatee County High School at Bradenton, has just had printed at the True Democrat office a very neat and attractive pamphlet comprising the Announcement, in regular college style, for 1904-5. The faculty comprises eight instructors besides the principal, and the history, course of study and advantages of this excellent school are fully set forth.

This the only known instance of the publication in this form of the annual announcement of a high school, and it is only one of many illustrations of the enterprise and "up-to-dateness" of Professor Clark, who, as a Tallahassee boy and a graduate of the Florida State College, reflects great credit upon both his birthplace and his Alma Mater.

Grave Trouble Foreseen.

It needs but little foresight to tell that when your stomach and liver are badly affected grave trouble is ahead, unless you take the proper medicine for your disease, as Mrs. John A. Young, of Clay, N. Y., d. d. She says: "I had neuralgia of the liver and stomach, my heart was weakened, and I could not eat. I was very bad for a long time, but in Electric Bitters I found just what I needed, for they quickly relieved and cured me." Best medicine for weak women. Sold under guarantee by all druggists, at 50c a bottle.

Two Problems.

"When I see the hordes of fat, lazy, idle youngsters and negroes loafing about the town," said a young man who works hard to earn a small salary, "and compare their elegant leisure with my hard condition, I feel like becoming what the law cynically calls 'a vagrant.' These fellows do seem to enjoy life immensely, but who feeds them? That's the problem I should like to see solved. Another is, Why is not the law against vagrancy enforced?"

Agonizing Burns.

are instantly relieved, and perfectly healed, by Bucklen's Arnica Salve. C. Rivenbark, Jr., of Norfolk, Va., writes: "I burnt my knee dreadfully; that it blistered all over. Bucklen's Arnica Salve stopped the pain, and healed it without a scar." Also heals all wounds and sores. 25c at all druggists.

Poisons in Food.

Perhaps you don't realize that many pain poisons originate in your food, but some day you may feel a twinge of dyspepsia which will convince you. Dr. King's New Life Pills are guaranteed to cure all sickness due to poisons of undigested food—or money back. 25c at all druggists. Try them.
