**"Two for one!"**

These are two chief reasons for the failure of medicine. These reasons are the doctor and the druggist. Both should be good. People who use the greatest care in the selection of their physicians, select this drug store for their prescriptions. We not only give you just what the doctor prescribes, but we give the best of it put up in the best way. The intelligent doctor and this honest drug store are two of a kind—good, safe kind.
