COUNTY DIVISION? NO!

Letters from Candidates Stating Their Positions,

Seme time since the PRESPECTOR sent to each of candidates nominated by the political parties in this county for legislative honors, a letter asking an expression of their views on sounty division. A reply has been received from all but three, who no doubt will in good time make their views plain upon this very important question. Below is what the gentlemen have to say about this matter:

"ST. DAVID, Oct, 15, 1896. "En PROSPECTOR :- Dear Sir : In anam most decidedly in favor of no Division, I am for the advancement of Cochise county first, last and all the time. Yours respectfully, "PETER A. LOFGREEN."

"BISBER, Oct. 16, 1896, "ED PROSPECTOR :- I am not in favor of county division. Respectfully yours, "J. H. MATHIAS."

"BISBEE, Oct. 18, 1896. "ED PROSPECTOR:-In snewer to your question as to my standing on county division. I am not in favor of it, and will oppose any such measure if

"Yours for no division, "WM, P. LONG."

"WILLCOX, Oct. 17, 1896. "ED PROSPECTOR :- In reply to your enquiry: 'are you favor of county division? Will state that I am opposed to any attempt at this time to divide Cochise county; as a taxpayer of this county I shall do all in my power, should I be elected a representative from Cochies county to next legislative assembly, to reduce taxation; hence must be opposed to county division. Youry very truly, "WM. SPEED."

"Bianes, Oct. 16, 1896. "En PROSPECTOR :- In reply to your inquiry with regard to my position on the question of county division, must say that, in my opinion, ne sane man will advocate county division under our present deplorable financial condition. However, should a measure come up delegating to the people affected by such diviseo the authority to create new counties I should sapport the measure. The people's intersets are usually safe in their own keeping. A tax rate of \$4.22 is more than the aggregate income on the capital invested in Cochise county, and, if A. Wentworth, Mrs. Josiah Kirlew as much of a thief as the man who Providence does not intercede in the C. S. Clark peoples' behalf, we will not only be F. N. Wolcott but back into Pima county.

"Very respectfully yours, "JAMES J. RIGGS." "Benson, Oct. 16 1896. "ED. PRESPECTOR :- Bitterly opposed

to county division. Bad enough the way it is." "M. F. Castapada." "BISBEE, Oct. 15 1896.

"ED PROSPECTOR :- Your letter of W. F. Bradley inquiry in respect to county division | Scott White received. I have no time to write a Chas. Langpasp long letter, but will say that I am not Thomas Tunney in favor of division under any circum-Yours Respectfully. stances. "G. S. Crockett."

"BISBEE, Oct. 15 1896. "ED PROSPECTOR:-Your favor of J. A. Koska Oct. 11 1896, regarding my position J. N. McDonou apon the question of county division M. Doyle received. In reply allow me to state A. Ashman that I am not in favor of any proposition which would tend to increase the burden of taxation upon the people of Cochise Co., and as it seems to me that such division would increase the rate of taxation. I am therefore opposed to the division of Cochise county. "Yours very Truly.

"J. W. Farrington." "ST. DAVID, Oct. 15, 1896. "En PROSPECTOR :- I will say in reply to your question that I am not in favor of county division, for I think there too many effice seekers now.

"Yours for no division. "JOHN S. MERRILL."
