

If You Need a Medicine You Should Have the Best

Have you ever stopped to reason why it is that so many products that are extensively advertised, all at once drop out of sight and are soon forgotten? The reason is plain—the article did not fulfill the promises of the manufacturer. This applies more particularly to a medicine. A medicinal preparation that has real curative value almost sells itself, as like an endless chain system the remedy is recommended by those who have been benefited, to those who are in need of it.

A prominent druggist says: "Take for example Dr. Kilmer's Swamp-Root, a preparation I have sold for many years and never hesitate to recommend, for in almost every case it shows excellent results, as many of my customers testify. No other kidney remedy has so large a sale."

According to sworn statements and verified testimony of thousands who have used the preparation, the success of Dr. Kilmer's Swamp-Root is due to the fact, so many people claim, that it fulfills almost every wish in overcoming kidney, liver and bladder ailments; corrects urinary troubles and neutralizes the uric acid which causes rheumatism.

You may receive a sample bottle of Swamp-Root by Parcels Post. Address Dr. Kilmer & Co., Binghamton, N. Y., and enclose ten cents; also mention this paper. Large and medium size bottles for sale at all drug stores.—Adv.

GOWDY IS BASKETBALL STAR

Famous Catcher of Boston Braves
Kept Himself in Condition Play-
ing at Columbus.

Hank Gowdy, famous catcher of the Boston Braves when that team won the world's championship and who was the first baseball player to rally to fight the Germans, played basket-
ball last winter with the Columbus
Kenyons.

Hank is a good court performer and
was on the same team with such play-

ers as "Shifty" Bolton, formerly of
Ohio State; Snooks, Ruh, Waite and
Davis, who played football with the
Columbus Panhandles last fall.
Gowdy's team was one of the strong-
est in Ohio and made a fine record on
the courts.

BASEBALL STORIES

Outside of the catching department,
the Pirates don't look half bad.

Babe Adams looks as good as ever,
and that is saying considerable.

Pitching is always a gamble, but a
bet on the Cleveland staff this year is
a good bet.

Bobby Roth seems to be happy in
his new surroundings with the Wash-
ington team.

A star catcher is just as necessary
to a ball club's well being and progress
as a clever pitching staff.

The Boston Red Sox are still in a
rut. The sale of Ruth to the Yankees
didn't help a bad situation any.

John Kelleher, shortstop for the St.
Joseph team of the Western league,
will manage the team this year.

The Cleveland Indians have graduated
so many players to the Indians that it
may be called Tris Speaker's farm.

Infielder Goldie Rapp of the Cincin-
nati National league team has been
sold to St. Paul, American association.

Jimmy Burke has a peppery bunch
of Brownies to start off another
season, but he hasn't strengthened to any
extent.

Cleveland fans believe that this is
Cleveland's year and decline to change
the view because the Yankees grabbed
Babe Ruth.

The cellar was never a very popular
position for a baseball team to oc-
cupy, but we presume it will be dif-
ferent this year.

Pitcher Ad Lynch, formerly of
Washington, who refused to play with
Wichita this year, has been trans-
ferred to Des Moines.

DODSON STOPS SALE OF CALOMEL

"Dodson's Liver Tone" is Taking Place of Dangerous,
Sickening Chemical, Say Druggists

Every druggist in town has noticed
a great falling off in the sale of
calomel. They all give the same rea-
son. Dodson's Liver Tone is taking
its place.

"Calomel is dangerous and people
know it," Dodson's Liver Tone is per-
sonally guaranteed by every druggist
who sells it. A large bottle doesn't
cost very much but if it fails to give
easy relief in every case of liver slug-
gishness and constipation, just ask
for your money back.

Dodson's Liver Tone is a pleasant-
tasting, purely vegetable remedy,
harmless to both children and adults.
Take a spoonful at night and wake up
feeling fine; no biliousness, sick head-
ache, acid stomach or constipated
bowels. It doesn't gripe or cause in-
convenience all the next day like vio-
lent calomel. Take a dose of calomel
today and tomorrow you will feel
weak, sick and nauseated. Don't let
a day—Adv.
