

## END OF EIGHT YEARS MISERY

Used Lydia E. Pinkham's Vegetable Compound and Recovered.

Newark, N. J.—"The doctor said I had an organic trouble and treated me for several weeks. At times I could not walk at all and I suffered with my back and limbs as I often had to stay in bed. I suffered off and on for eight years. Finally I heard that Lydia E. Pinkham's Vegetable Compound was a good medicine and tried it with splendid effect. I can now do my housework and my washing. I have recommended your Vegetable Compound and your Blood Medicine and three of my friends are taking them to advantage. You can use my name for a testimonial."

—Mrs. THERESA COVENTRY, 75 Burnett St., Newark, N. J.

### Uncomplimentary

A man who possesses a corpulent figure takes a Sunday-school class. Recently he gave a lesson upon how sin affected the future life.

"Well, boys," he asked, in conclusion, "what would happen to me when I die if I had led a bad life?"

"The fat would be in the fire," replied one lad, after some reflection.

## ON THE FUNNY SIDE

### SELF-EFFACEMENT.

"Lemonade?" exclaimed Mrs. Meekton, "are you aware that I was reading my essay on politics aloud to you?"

"Yes, my dear."  
"But you went to sleep."  
"Why not? You removed every doubt so thoroughly and solved every problem so completely that I saw no further reason for retaining personal consciousness."

### Another Item.

"This bill of yours—why, it makes my blood boil!" the indignant patient stormed.

"Ah!" the man of medicine returned calmly, "in that case we must make a little change," and, taking the bill he added the line:

"To making blood boil and thereby sterilizing system, \$25."

### Painful Meeting.

Bill—Just happened to run into an old friend downtown.

Phil—Was he glad to see you?

Bill—You bet. I smashed his whole right fender—Cornell Widow.

### Smartness.

"Don't you think this is a smart gown?" asked the lady.

"I do," answered the gentleman. "Anything that looks especially foolish is spoken of as especially smart."

### A Way of Theirs.

"Bills have one queer quality."

"What is it?"

"The more you contract them, the more they expand."

### THE NEXT IN ORDER.

Mr. Cheesnut: Too bad you lost so much money in that oil stock swindle. But brace up, man. Every cloud has a silver lining.

Mr. Sapper: Yes, I've heard a rumor to that effect but I haven't yet been offered any stock in the prospect.

### True.

The road to fame  
Is long and rough  
They only win  
Who've got the stuff.

### A Suggestion.

"Do you really believe a wife with good cooking can pull the wool over her husband's eyes?"

"Just try some nice funnel cakes."

### Not Fastened to the Idea.

"Is a wife bound to obey her husband?"

"I must say I haven't seen many who were tied down to the job."

### Very Odd.

"It seems strange that there should be so much industrial disturbance caused by coal."

"Yes, especially as by its very nature it must always be a minor issue."

### Too Suggestive.

"Why do dentists call their offices 'dental parlors?'"

"I suppose they think it would make their patients feel too bad if they called them drawing rooms."

### Not Certain.

"You know, my dear boy, we really gain by our trials in life."

"That depends altogether on what kind of lawyers we get to try them."

### Cruel Comment.

"Look at the engagement ring Will gave me. He has such taste."

"Yes; all the girls he's been engaged to admit that in his favor."

### Fitting Styles.

"I see where they are making hats of shavings."

"They ought to be particularly appropriate to wooden heads."

## Some More Truths.

WOULD you use a steam shovel to move a pebble? Certainly not. Implements are built according to the work they have to do.

Would you use a grown-up's remedy for your baby's ills? Certainly not. Remedies are prepared according to the work THEY have to do.

All this is preliminary to reminding you that Fletcher's Castoria was sought out, found and is prepared solely as a remedy for Infants and Children. And let this be a warning against Substitutes, Counterfeits and the Just-as-good stuff that may be all right for you in all your strength, but dangerous for the little babe.

All the mother-love that lies within your heart cries out to you: Be true to Baby. And being true to Baby you will keep in the house remedies specially prepared for babies as you would a baby's food, hairbrush, toothbrush or sponge.

# CASTORIA

### Are You Prepared?

A doctor in the house all the time would be a good idea. Yet you can't afford to keep a doctor in the family to keep baby well or prevent sickness. But you can do almost the same thing by having at hand a bottle of Fletcher's Castoria, because it is a wonderful remedy for indigestion, colic, feverishness, fretfulness and all the other disorders that result from common ailments that babies have.

Fletcher's Castoria is perfectly safe to use. It is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. Children cry for Fletcher's Castoria, and mothers recommend it because they have found it a comfort to children and a mother's friend.

If you love your baby, you know how sweet it is to be able to help baby when trouble comes. You cannot always call upon a doctor. But doctors have nothing but good to say of Fletcher's Castoria, because they know that it can only do good—that it can't do any harm—and they wouldn't want you to use for baby a remedy that you would use for yourself.

MOTHERS SHOULD READ THE BOOKLET THAT IS AROUND EVERY BOTTLE OF FLETCHER'S CASTORIA.

### Concentration Wins.

The weakest living creature, by concentrating his powers on a single object, can accomplish something; the strongest, by dispersing his over many, may fail to accomplish anything. —Carlyle.

### Apprehensive.

"Why do you speak so kindly of pajama drama?"  
"Anything to dodge bathrobes."

If opportunities were females more men would embrace them.

### Injuring the Profession.

"Here's a man says the freak business is falling off." "He's right. Too many outside of slideshows."

If a man lives up to his wife's expectations he is always busy.
