### Y. M. C. A. vs Valentine

The Y. M. C. A. aggregation of sphere tossers met the horse hide chasers from Valentine, Crawford, Gordon and various other noted cities last Monday afternoon on the Y. M. C. A. campus.

When the game began, a man wearing a Crawford brand was in the box. At the end of the first inning, it looked as though he was going to make the Y. M. C. A. bunch go some. The score stood 2 to 0 in favor of Valentine.

However, Gorrell started in to do things to the mixture in the second inning and when the smoke had rolled away and the final roll called it was found that Valentine had not done a thing while Chadron had corralled one lone score.

Gorrell sent them to the bench in one, two, three order in the third while Chadron landed hard on Moss for four scores.

Beginning with the fourth inning Moss took a back seat on second base and Carter from somewhere attempted to toss the sphere in such a manner as to bring terror into the camp of the Chadronites. However, the boys found him for one score. The remainder of the game was close except the eighth inning when Chadron added five large juicy scores to the already good majority.

Final score, Chadron 12, Valentine 3. Batteries: Valentine, Moss and B. Carter; Blaster and Fisher; Chadron, Gorrell and Sprague. Umpire, Harry Hooker.—The Chadron Journal.

### Valentine Loses.

On account of the rain the double header that was to have been played here last Saturday between the Valentine team and the Gordon high school had to be postponed. The Valentine team went to Crawford and played the Crawford team Sunday and were beaten by a score of 6 to 5. Monday they played Chadron and were again beaten by a score of 11 to 3. Tuesday they played the High School here and were beaten by a score of 12 to 9. It was a very interesting game from start to finish altho some very poor plays were made on both sides. The game was played very quietly and but for one exception there was no fussing. Valentine's first baseman got sore because of a certain decision of the umpire but did nothing but chew the rag a little, when the umpire told him to quiet down which he immediately did. During the first part of the game Valentine's center fielder got hit in the eye with a long fly and had to leave the diamond and before the end of the game his eye was swelled shut.—The Gordon Journal.

A sensible young lady of Kansas made the following request of her friend: "Do not lay me down by the rippling brookside, lest the babbling lovers wake me from my dreams, nor in the beautiful cemeteries in the valley lest sightseers cooing over epitaphs distract me; let me sleep under the counter of the merchant and business man who never advertises. There is a peace that passeth all understanding, and deep is the sleep in which the buoyant foot-fall of youth nor the weary shuffle of old age will ever intrude.—Ex.
