ANNOUNCEMENT

EXTRAORDINARY

Norfolk Weekly News Reduced to $1 a Year for Cash in Advance.

PREMIUM TO EVERY SUBSCRIBER

Opportunity for Young Men and Women, Boys and Girls to Make Money.

During the 18 years that The Norfolk Weekly News has been published, no subscriber has ever received it for less than $1.50 per year. This price has been maintained in the face of cheaper competition, because it has always been noted that The News is the best weekly paper published in this section of the state, being printed at home and giving later telegraphic news and reporting more local events than any other. It has always been well worth the price asked for it and will continue to steadily improve in all the departments in the future. But in response to the large number of people who desire to pay in advance we have decided to make the following offer:

SPECIAL OFFER:

To every subscriber who will pay $1.00 in advance The News will be sent for one year.

To every old subscriber who will pay up all arrears to date and $1.00 in advance, The News will be sent for one year.

Every subscriber who pays one year in advance will be presented with a copy of Kewaik's Perforated Receipt Book, admitted to be the best book on the market, containing besides suggestions as to the care of the sick recipes for the ailments of stock, etc., which are invaluable on any farm and in any household. Those who cannot call at the News office for the book will include 5 cents extra for postage.

Any subscriber, or member of the family of a subscriber, who secures for one or more new cash in advance subscriptions, will be paid 25 cents for each new name and $1.00 which they may send to this office.

As a rule, the money saved at the regular rate will be credited the additional time at the new rate. Those who do not pay in advance will continue to be charged the old rate of $1.25 per year.

This special offer will continue until April 1, unless sooner withdrawn, which we reserve the right to do. Address all communications to

The Norfolk Weekly News, Norfolk, Nebraska.

The time on the above is extended to May 1st.
