Estelle overruled

School Fund Approtionment. Nebraska's semi-annual school apportionment has been made by State Superintendent Bishop. The amount to be distributed is \$261,512.75. The ratio for each pupil is .70198. In addition to the regular apportionment the sum of \$33,655 is to be distributed to the weak school districts. Douglas county gets \$28,791.73 out of the present state apportionment.

Frank Macy of Hebron Dead.

Thayer County. - Franklin Macy daughter, Mrs. A. W. Wilkinson, at and was among the oldest in the state. He was born in Gildford county near Dobson Roads, North Carolina. December 19, 1814, as he said, "just a little before day, though I remember but little of the important

Thomas B. Hord Dead.

Merrick County.-Thomas Benton Hord, the largest cattle feeder in the world and for many years past a resident of Central City, died at Minneapolis, Minn., where he had gone only a few days ago to consult a specialist. He was stricken with paralysis about two years ago and had not actively engaged in business sinse that time. He went to Europe this summer to the Baden Baden Springs and returned much improved.

Important Contracts Let.

Butler County .- The county board of supervisors at its regular session awarded the following contracts for the year 1911-1912: All wood and steel bridges to be constructed in Butler county to the Nebraska Construction company of Lincoln: all cement culverts to the Wilson Reinforced Concrete company of Nebraska City; all metal culverts to the Nebraska Culvert Manufacturing company of Wahoo.

Dawson Corn Show. Dawson County. - The Dawson county farmers opened their annual institute and corn show at Lexington. The executive board had taken a great deal of interest in this meeting and it proved to be a success. The out-of-town speakers were: J. F. Coupe, Falls City, Neb., who talked on the problems of pork production: Mrs. W. W. Burr of the state experiment station, North Platte, on the methods of increasing the yield of grain, and Miss Anna M. East of Columbus, on domestic science in the schools. Liberal prizes were awarded for the different varieties of corn.

Fight Pictures Barred. Jefferson County.-After a week's excitement over the prospects of having the Johnson-Jeffries prize fight pictures in Fairbury, the municipal authorities stopped the exhibition by an injunction. The city council passed an ordinance which positively prohibits the exhibition of prize

fight pictures, and prevents wrest-

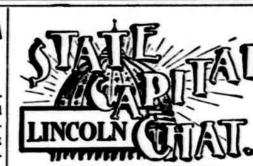

ling matches, and such theatrical performances as tend to corrupt the morals of the people. Man Killed at Grand Island. Hall County-Peter Pererson, night watchman for the Union Pacific at the Walnut street crossing, Grand Is-

train No. 17, William Bay, engineer. Nebraska Mayor Dead.

Both Legs Broken in Runaway. Buffalo County.-With both legs broken and other serious injuries,

tion. He was injured in a runaway.

Lincoln Man in Trouble. St. Louis dispatch.-A man claiming to be Robert W. Hager of Lincoln. Neb., a machinist, was arrested here after making a get-rich-quick proposition to stranger who proved to be a detective.

No Ball at Inauguration. There will be no inauguration ball when Chester H. Aldrich, governorelect, is inducted into office January 5 next. That has been settled by Mr. Aldrich himself, who said: "There will be a reception, but there will be no dancing."

Mr. Aldrich says he cannot countenance dancing. The reception incident to the inauguration will be held at the state house and during the evening such refreshments as lemonade and orange punch will be served.

Apportionment of School Funds. Nebraska's semi-annual school apportionment has been made by State Superintendent Bishop. The amount to be distributed is \$261,512.75. The ratio for each pupil is .70198. In addition to the regular apportionment, the sum of \$33,655 is to be distributed to the weak school districts.

Has Broken All Records.

Francis M. Colfer of McCook, who succeeded Arthur Mullen as state oil inspector, has broken all records in the matter of total collections During the month of November the total collections of the state oil department in the form of inspection fees amounted to \$4,642.40. Once during his term Mr. Mullen collected \$4,000 and thought he was doing pretty well. but Mr. Colfer has broken all records in the history of the department by his November receipts. He has expended \$1,561.48 of the November

Japanese Consul's Visit. Consul Keichi Yamasaki, representing the Japanese government at Chicago, was in Lincoln Thursday for the purpose of studying agricultural and industrial conditions in Nebraska and to meet his countrymen among the local student population. He visited the state executive offices during the forenoon and later called at the Young Men's Christian association, where a number of young Japanese are employed as waiters. He spent part of the afternoon looking through the University of Nebraska. Mr. Yamasaki will return from here to Chicago.

Getting Ready to Leave. January 5, the day of the inauguration of Governor elect Aldrich, has been set as the day when Governo Shallenberger and his family will vacate the executive mansion. Preparations for the change in occupancy will be begun immediately after Christmas. Governor Shallenberger has just returned from a business trip to Chicago and a brief visit at Spring Green, Wis. He says that it is his intention to resume his former occupation as a stock breeder at Alma, as soon as he

again becomes a private citizen. Meeting of Organized Agriculture. At the meetings of Organized Agriculture, held January 16 to 20, 1911. at Lincoln, after the general day meetings on agriculture, horticulture, dairying and live stock at the university farm, each evening at the university temple will be occupied as follows: Tuesday, a noted speaker under the auspices of the state board of agriculture; Wednesday an address to the state farmers' congress and Thursday a reception at the governor's mansion and a corn cornival at the auditorium.

Pure Food Laws Being Obeyed. According to the biennial report just filed by State Food Commissioner Mains, the food laws of Nebraska are being as strictly obeyed by manufacturers and distributors as those of any state in the union, and this result has been obtained with a minimum of prosecutions. The total amount of fees collected during the biennium is \$11,324.64, which is an increase of \$6,830.28 over the former commissioner's biennial report, which

showed a total collection of \$4,487.36.

National Guards Improve. The report of the rifle shooting of the national guard for the year 1910 has been compiled in the adjutant general's office. . This year the report shows the figure of merit for the entire guard as 16.58, against 33.66 for last year. The figure of merit of the Second regiment is better than that of the First, as follows: Second regi

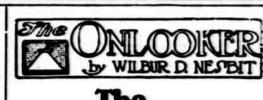

ment, 19.56; First regiment, 13.39. Chief Game Warden Dan Geilus recommends in his biennial report the collection of a general game license upon all persons over sixteen years of age who fish and hunt and some important changes in the open season. His recommendation extending the chicken season one month, commencing September 1 instead of October 1. is likely to be opposed by some of the chief members of gun clubs and sportsmen of the state.

The attention of State Superintendent E. C. Bishop will be called to the law of the state on the disposition of unclaimed bodies, as a result of the controversy that has developed over land, was run down and instantly killed by the engine of passenger a criticism of his attitude by the state board of health through its board of secretaries. Secretary E. Arthur Carr will call on the state superintendent Furnas County.-J. J. > Advocates Their Separation. In his biennial report to the gover-

nor, Warden T. W. Smith of the state Robert Larimer lies at his home, one penitentiary advocates strongly the mile north of Buda, in a dangerous, separation of the convicts who are though not necessarily fatal condinot naturally criminally inclined and who are serving sentences for first offences from the seasoned convicts of which the penal institution is filled. He says that more than 100 young men are daily more or less in contact with the most hardened criminals and if they are not criminals themselves when they are placed in the institution

they will probably come out such.

The PLUSH HAT

There's lots of things I'd like to say about the women's fads today. About how they today are thin and

the morrow fat; But just when pungent phrase I form, just when my thoughts are getting It happens that I look upon my new plush hat.

The foolish things that women do I really ought to roast, that's true; The way they try to get to vote is funny, as to that: But just when I take up my pen to write about the sense of men My eyes will wander till they see my

new plush hat.

I know that women always wear a pile of artificial hair In switch and coll and dainty puff and huge and monstrous rat. But as I turn a paragraph designed to make the reader laugh Upon the hook before me looms my new plush hat.

meet my cranial need, But with the lack of beauty of a dripping, half-drowned cat: Before I think that I should try to pick the mote for sister's eve I meditate a moment on my new plush

HIRAM CARPENTER'S WONDER-

"I have been afflicted for twenty years with an obstinate skin disease. called by some M. D.'s. psoriasis, and others leprosy, commencing on my scalp; and in spite of all I could do. with the help of the most skilful doctors, it slowly but surely extended until a year ago this winter it covered my entire person in the form of dry scales. For the last three years I have been unable to do any labor, and suffering intensely all the time. Every morning there would be nearly a dustpanful of scales taken from the sheet on my bed, some of them half as large as the envelope containing this letter. In the latter part of winter my skin commenced cracking open. I tried everything, almost, that could be thought of, without any relief. The 12th of June I started West, in hopes I could reach the Hot Springs. I reached Detroit and was so low I thought I should have to go to the hospital but finally got as far as Lansing, Mich., where I had a sister living. One Dr. — treated me about two weeks, but did me no good. All thought I had but a short time to live. I earnestly prayed to die. Cracked through the skin all over my back, across my ribs, arms, hands, limbs; feet badly swollen; toe-nails came off; finger-nails dead and hard as a bone;

hair dead, dry and lifeless as old straw. O my God! how I did suffer. "My sister wouldn't give up; said, 'We will try Cuticura.' Some was applied to one hand and arm. Eureka! there was relief; stopped the terrible burning sensation from the word go. They immediately got Cuticura Resolvent, Ointment and Soap. I commenced by taking Cuticura Resolvent Now is the time to begin searching three time a day after meals; had a bath once a day, water about blood The trouble about good resolutions plied Cuticura Ointment morning and
