Stockmen Meet at Rapid City

The South Dakota Stock Growers association has been holding its annual meeting during the past week at Rapid City. A number of Stanley county people have been in attendance, and do not report the meeting an especially exciting affair. The old vim and enthusiasm of the annual stock meeting seems gone, and the celebration takes on now something of the spirit of a reunion to keep alive the memories of other days.

Keep a Written Account of All Your Expenditures

You know from experience it is hard to save from your earnings—but it can be done if you set your heart and head in that direction. The way to do is to keep an account of what you earn and what you spend.

The simplest way to keep this record is to have a bank account—deposit your money with this bank and pay all bills by check. Your bank book and returned checks are the record you want—they will tell they story of your money both earned and spent.

Now would be the proper time to begin.
