STOMACH SUFFERERS

Mayr's Wonderful Stomach Remedy
Is Recommended and Have
Thousands Who Have
Been Restored

"I was a sick man for about three months caused by three months of the Liver and was told by three of our most prominent physicians that I would have to submit to an operation to get relief, but heard of your Wonderful Stomach Remedy and secured a full treatment and took it according to directions and passed hundreds of Gall Stones. Since taking your medicine I work regularly and don't feel any ill effects. I am praising your Remedy to all my friends. I think it's worthy of the highest praise. B. L. DOOLEY, Roanoke, Va."

Sufferers of Stomach, Liver and Intestinal ailments are not asked to take Mayr's Wonderful Stomach Remedy for weeks and months which should make you feel better in health, convince you that you will soon be well and strong, free you from pain and suffering and give you a sound and healthy Stomach, as it has done in thousands of cases. Wherever it is taken you will hear nothing but the highest praise. Go to your druggist—ask him about the great results it has been accomplishing in cases of people like those or send to Geo. H. Mayr, Mfg. Chemist, 154-156 Whiting St., Chicago, Ill., for a free book on Stomach Ailments and many grateful letters from people who have been restored.

Strathcona's Tie to Scotland.

Among the vast possessions of the late Lord Strathcona must be counted the little Island of Colonsay, one of the fragments of the shattered west coast of Scotland. The snug island is the first haven which the storm-tossed voyager reaches after he leaves the shadow of the Mull of Kintyre and crosses the open sea past the terrible Torrans rocks.
