BE IT ORDAINED BY THE MAYOR AND THE COMMON COUNCIL OF THE TOWN OF WINSLOW:

Section 1. Every owner, claimant, or keeper of a dog or dogs of the age of two months, or over, within the town of Winslow, shall hereafter pay an annual tax on all dogs owned, claimed or kept by him or her, as follows: on every male dog, five (\$5) dollars, and for every female dog, ten (\$10) dollars.

Section 2. Upon the payment of the said tax, it shall be the duty of the Town Marshal to issue a metal tag to the owner of such dog or dogs, said tag shall bear the number thereof in the order of issuance, plainly stamped or cut thereon, and in addition shall have stamped or cut thereon, "Winslow Dog License." Such dog shall wear a collar to which shall be firmly attached the said tag, at all times.

Section 3. It shall be the further duty of the Town Marshal to issue to the purchaser of each tag a receipt for the sum paid therefor, which receipt shall show the number of the tag for which it is issued, and the name, sex and color of the dog, for which the tag is intended.

Section 4. The running at large of all dogs within the limits of the town of Winslow is hereby prohibited. It shall be the duty of the Town Marshal to kill all unlicensed dogs running at large, and to impound within the town pound any licensed dogs running at large.

Section 5. The Marshal shall keep the impounded dogs for a period of 5 days, unless sooner redeemed, and if not redeemed at the expiration of five days from date of impounding, shall sell or caused to be sold the said dog or dogs at public auction, and the proceeds of such sale, after deducting the expenses, shall be paid into the town treasury.

Section 6. When the Marshal impounds any dog he shall immediately notify the owner thereof, and post notices in three public places within the town, one of which shall be at the front door of the Town Hall, for five days, giving a description of the dog or dogs impounded and the date of sale of same.

Section 7. The charges for redemption of any dog impounded to be paid to the Marshal by the owner or owners thereof shall be one dollar.

Section 8. The Town Clerk shall keep separate and apart from other funds the money paid to him by the Marshal from the sales of the impounded dogs for a period of ninety days; during that time any person claiming ownership of any dog sold aforesaid may make due proof before the Mayor as to his ownership, and if the Mayor deems the claim to ownership sufficient he shall order the Town Clerk to pay to such party the money in his hands arising from the sale of such dog claimed.

## 22,000-Mile Tread

**And Why They Are Exceptions**

Worn Miller Tires are often exhibited with some sign like above.

Countless letters also reach us telling such mileage tales.

These are very pleasing. But we don't want users in general to expect miracles from Millers.

### Service to Expect

Expect from Millers greater service than from any like-type tire. And 19 times in 20 you will get it.

Expect it to outserve any tire you put opposite, and it almost invariably will. Expect twice the mileage tires gave a few years ago, and they will doubtless do still better.

Expect tread wear 25 per cent better than from others and you'll not be disappointed.

But don't expect that Millers, under all conditions, can match some exceptional mileage.

### Why Mileage Varies

A Cord Tire gives vastly greater service than a Fabric Tire.

An oversize tire will vastly excel a tire that is undersize. Care, load and roads affect tire service greatly.

Millers are uniform tires. That is a major reason for their supremacy. But uniform tires will vary with conditions.

### Tread Patented

Center Tread smooth with suction cup, for firm hold on wet asphalt. Geared-to-the-Road side treads, mesh like cogs in dirt.

### What Our Tests Show

We run tires at our factory ten million miles a year to make these service tests.

These are radical tests. Tires are run constantly, night and day, and under heavy load. We want quick comparisons.

On our testing machines Miller Cords average 15,000 miles, and Fabrics about half that.

But these are not mileage records. We are running Miller Tires against high-grade rivals to prove that Millers last best.

### Be Satisfied With This

You will get on a Miller an exceptional tread. It is by 25 per cent the best tread made.

Not one Miller Tire, made under present methods, has ever come back with the tread gone.

You will get uniform tires. Every Miller Tire is signed, both by maker and inspector. Every man knows that a faulty tire means a penalty for him. And faults are extremely rare.

You will get greater mileage than from any tire you put on the opposite wheel. That is so nearly universal that we will stake your favor on any single test.

But you will get the best tire built today. There are hundreds of thousands who know that.

When you buy a new car insist on Miller Tires. Twenty car makers now supply them and there is no extra charge.
