DON'T STRIKE THAT COW.

Don't you strike that cow—
For her days are almost numbered now,
And she is old and feeble.
She 's given you the best of food,—
Milk and cream that 's rich and good,—
And cheese and butter for our table!

She has been the family 's stay;
She has been faithful, every day;
She mothers the team that draws our plow,
And is a friend that never yet did fail,
Was never known to "kick the pail,"
So do not strike that cow!

Go count the wrinkles on her horn,
She was old before you were born—
And you would act the tyrant now.
She has been to you your foster mother;
Has fed your sister and your brother;
And you would strike that cow!

You have crummed your bread in her milk
And her profit bought the silk
That 's in your mother's Sundays wear.
From that old cow I got my start,
From that old cow I'll never part—
Now strike her if you dare!

TILLAMOOK, July 31, 1873. B. A. B.

Proclamation.

WHEREAS, Under the Act of the Legislative assembly of the State of Oregon, entitled "an Act to protect litigants," approved October. 24th, 1870.. The TRI-WEEKLY ASTORIAN, a newspaper published at Astoria Clatsop County Oregon, has been designated to publish the legal and judicial advertisements for the county of Clatsop in the State of Oregon.

WHEREAS, The proprietor of said TRI-WEEKLY ASTORIAN has filed with the County Clerk of said county of Clatsop written stipulations accepting the conditions of said Act, together with a bond approved as the law directs, with a proper return and notice thereof to this office, according to law.

Now, therefore, the said TRI-WEEKLY ASTORIAN is hereby proclaimed to be appointed and confirmed as the medium through which all legal and judicial advertisements for the County of Clatsop in the State of Oregon shall be published for the period authorized by law.

In testimony whereof I have hereunto set my hand and caused the seal of the State of Oregon to be affixed, at the Executive office in the city of Salem this twenty-fourth day of July A. D. 1873.

By the Governor:

L. F. GROVER.

[L. S.] Attest: S. F. CHADWICK, Secretary of State.

To Investors.—The Northern Pacific Railroad Company has now built, equipped and put in operation, nearly 517 miles of its main line of road through an excellent country and along what is known as the Valley Route to the Pacific. The finished portions already enjoy a large and fast increasing traffic. The sections approaching completion connect the chain of Lakes with the navigation of the Upper Missouri and Columbia rivers with Puget Sound, secure at once a large and profitable business and entitle the Company to about 10,400,000 acres of excellent average land in fee simple.

With these accomplished results, the Company offers, and is now rapidly selling, its First Morgage Bonds, for completing the construction and equipment of its road across the Continent. After careful investigation, we recommend these bonds as a well secured and unusually profitable investment. They have 30 years to run; principal and interest are payable in gold; the interest (seven and three-tenths per cent.) is equal now to about 8¼ per cent. in currency. The coupon and registered bonds can be exchanged for each other, at the pleasure of the holder. Gold checks for the semi-annual interest on the registered bonds are mailed to the post office address of the owner.

These securities have the following elements of strength and safety: They are the obligation of a strong corporation; they are also a mortgage on the Road, its right of way, equipments and franchises, and a first lean on its net earnings. In addition to this usually sufficient security, there is pledged for the payment of the principal and interest a Grant of Land, averaging about 24,000 Acres per Mile for the entire length of the Road. At the average price per acre at which other Land Grants have thus far been sold, this real estate security will yield more than $161,000 per mile—more than three times the possible issue of bonds.

The Company has already begun the process of redeeming and cancelling its first mortgage bonds, as they are now being received, at 1.10 in payment and exchange for the Company's lands. JAY COOKE & CO.,
