Seeing by Electricity

Rev. Mr. Gilbert, during an address at Christ Church the other night, remarks the Chicago Times, while speaking of the telephone, asked his audience if they would be astonished if he were to tell them that it was now proved to be possible to convey by means of electricity vibrations of light-to not only speak with your distant friend, but actually to see him. The electroscope, the name of the instrument which enables us to do this, is the very latest discovery, and to Guidrah of Victoria belonged the proud distinction. The trial of this wonderful instrument took place at Melbourne on the 31st of October last in the presence of some forty scientific and public men, and was a great success. Sitting in the dark room, they saw projected on a large disk of white burnished metal the race course at Flemington with its myriad hosts of active beings. Each minute detail stood out with perfect fidelity to the original, and as they looked at the wonderful picture through binocular glasses, it was difficult to imagine that they were not on the course itself and moving among those whose actions they could so completely scan.

There is less snow in the Sierra Nevada mountains this year than there has been for many years past. Along the line of the Central Pacific railroad fire trains are employed in wetting down the snowsheds to prevent their catching fire from sparks.

Do not be deceived. Insist on having the genuine Brown's Iron Bitters, made only by the Brown Chemical Co. and take nothing else.

STRONG FACTS!

A great many people are asking what particular troubles Brown's IRON BITTERS is good for.

It will cure Heart Disease, Paralysis, Dropsy, Kidney Disease, Consumption, Dyspepsia, Rheumatism, Neuralgia, and all similar diseases.

Its wonderful curative power is simply because it purifies and enriches the blood, thus beginning at the foundation, and by building up the system, drives out all disease.

A Lady Cured of Rheumatism.

Baltimore, Md., May 7, 1880.
My health was much shattered by
Rheumatism when I commenced
taking Brown's Iron Hitters, and I
scarcely had strength enough to attend to my daily household duties.
I am now using the third bottle and I
am regaining strength daily, and I
cheerfully recommend I to all. I cannot say too much in praise of it. Mrs. Many E. Brasheau, 173 Prestmanst.

Kidney Disease Cured.

Christiansburg, Va., 1851.
Suffering from kidney disease, from which I could get no relief, I tried Brown's Iron Bitters, which cured me completely. A child of mine, recovering from scarlet fever, had no appetite and did not seem to be able to cat at all. I gave him Iron Bitters with the happiest results.

J. Kyle Montague.

Heart Disease.

Vine St., Harrisburg, Pa. Dec. s, 1881. Dec. s. s881.

After trying different physicians and many remedies for palpitation of the heart without receiving any benefit, I was advised to try Brown's Iron Bitters. I have used two hottles and never found anything that e me so much relief.
Mrs. JENNER HESS.

For the peculiar troubles to which ladies are subject, Brown's Iron BITTERS is invaluable. Try it.

Be sure and get the Genuine.
