CHICAGO DYNAMITERS.

The Yellow Fever In The Far South.

Maj. Gen. Schofield In Command of The Army.

CHICAGO, Aug. 14.—A large dynamite bomb containing enough explosive material to demolish the entire train, was found on the Chicago, Burlington & Quincy railroad track at the corner of 16th and Halsted streets this morning. The police suspect the Burlington strikers or their sympathizers. They have no clue however.

BLAINE IN BOSTON.

BOSTON, Aug. 14.—The Blaine party was not astir until late this morning. Several callers on Blaine were denied admission. Addresses of congratulation from a Republican club at Lyons and from the league of workingmen at East Cambridge were presented at a late hour.

At 11:30 a delegation from the Home Market club was admitted to a conference. At 12 o'clock the party left for the railroad station. There was no demonstration en-route. When the carriage reached the station there was a large crowd present, and with difficulty the passage was cleared by police. Blaine on entering the car was cheered by the crowd. As the train was about to move Blaine appeared on the platform in response to the calls, and thanked the people for their kind recognition. The train then moved on its way to Augusta.

FLICKING FROM YELLOW FEVER.

LOUISVILLE, Ky., Aug. 13.—A party of refugees from Jacksonville Fla., passed through here to-day for the north. Three of them are going to their homes in Ohio, one of them is an official of the Louisville & Nashville road, who for some time was in the company, Leon Tuttle, the passenger agent of the Louisville & Nashville road who died at Jacksonville. Last Friday one of the party developed fever at Waycross, Ga. and was put off. The party only succeeded in passing the quarantine ports by making robust misrepresentations.

WILDLY ALARMED.

JACKSONVILLE, Fla., Aug. 14.—The latest news from Tampa, is to the effect that there are four suspicious cases of sickness there. Three cases of yellow fever at Manatee, two cases at Plant City, and one at St. Augustine. The people are still wildly alarmed. Two thousand persons have left the city in the last day or two.

A Steamboat Race On The River.

Coming up the river last Sunday night an exciting race occurred between the *Potter* and the stern wheel steamer *Undine*. The *Undine* left Astoria just before the *Potter* landed from Ilwaco. It was about half past eleven when the passengers on the *Potter* who were still stirring, saw the lights of the *Undine* ahead of them. About seven miles below Kalama the *Potter* overhauled the *Undine*, but the latter boat was by this time on her mettle, as could be seen by the great cloud of smoke and sparks that came pouring out of her stack. The firemen of the *Potter*, too, were passing in wood to the furnace at a lively rate. The latter boat gradually crawled up to her rival till the bows of both were on a straight line. The excitement, by this time, had spread to nearly every passenger on both boats. The officers of the *Potter* are under orders not to run without the cut-off, but to show what she could do the engineer dropped it for a moment. The *Potter* forged ahead nearly a length amid the shouts and jeers of her passengers. Then the engines were returned to their regular stroke and the next instant the *Undine* had recovered her position of bow to bow, and it was her passengers turn to shout.

For fully half an hour these positions were maintained, the *Potter* finding it no easy task to get away from the suction of her smaller rival. At last a gradual gain became apparent, and in a few minutes more the *Undine* had to be content to follow in the wake of the big side-wheeler. *Oregonian*, 14.

FROM THE OLD WORLD.

ROME, Aug. 14.—A dispatch from Massowah from the French missionary at Saganeti, reports from Italian officers in command of the auxiliaries killed. The Abyssinian chief had 750 men, 350 armed with muskets. The report asserting that the Allies proved treacherous is denied. Four hundred stragglers from the defeated column arrived at Massowah.

A PRINCE DEAD.

BERLIN, Aug. 14.—Prince Joseph of Saxe, Coburg Gotha died of inflammation of the lungs, to-day.

Woman's Relief.

"Earth has no sorrow that heaven cannot heal," whether arising from physical, mental or moral sources. The promises and consolations of the gospel furnish abundant remedies for all spiritual or mental woes, and the Creator has stored, in the kingdom of Nature, remedies for every physical ailment. For ages these remedies were allowed to lie dormant, through the ignorance of mankind as to their uses, and for ages more but little attention was given to remedies for the peculiar afflictions of woman, who was looked upon and treated as a slave by lordly, and then brutal man, and her suffering regarded with beastly indifference. In later times, science and Christian philanthropy have come to her relief, devising remedies for her peculiar weaknesses, which have been combined in Dr. Pierce's Favorite Prescription, a remedy that cures the pains, aches, nausea, displacements, wasting and debilitating affections which she is constantly exposed. "Favorite Prescription" is the only medicine for women, sold by druggists, under a positive guarantee from the manufacturers, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle-wrapper, and faithfully carried out for many years.

Coal, in large deposits, has been discovered in the Colville country.

Merit Wins.

We desire to say to our citizens, that we have been selling Dr. King's New Discovery for Consumption, Dr. King's New Life Pills, Bucklen's Arnica Salve and Electric Bitters, and have never handled remedies that sell as well, or that have given such universal satisfaction. We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price, if satisfactory results do not follow their use. These remedies have won their great popularity purely on their merits. J. C. DeMent Druggist.
