## Rich and Poor,

Prince and Peasant, the Millionaire and Day Laborer, by their common use of this remedy, attest the world-wide reputation of Ayer's Pills. Leading physicians recommend these pills for Stomach and Liver Troubles, Costiveness, Biliousness, and Sick Headache; also, for Rheumatism, Jaundice, and Neuralgia. They are sugar-coated; contain no calomel; are prompt, but mild, in operation; and, therefore, the very best medicine for Family Use, as well as for Travelers and Tourists.

"I have derived great relief from Ayer's Pills. Five years ago I was taken so ill with  
**Rheumatism**  
that I was unable to do any work. I took three boxes of Ayer's Pills and was entirely cured. Since that time I am never without a box of these pills."—Peter Christensen, Sherwood, Wis.  
"Ayer's Pills have been in use in my family upwards of twenty years and have completely verified all that is claimed for them. In attacks of piles, from which I suffered many years, they afford greater relief than any other medicine I ever tried."—T. F. Adams, Holly Springs, Texas.  
"I have used Ayer's Pills for a number of years, and have never found anything equal to them for giving me an appetite and imparting energy and strength to the system. I always keep them in the house."—R. D. Jackson, Wilmington, Del.  
"Two boxes of Ayer's Pills cured me of severe  
**Headache,**  
from which I was long a sufferer. — Emma Keyes, Hubbardston, Mass.  
"Whenever I am troubled with constipation, or suffer from loss of appetite, Ayer's Pills set me right again."—A. J. Kiser, Jr., Rock House, Va.  
"Ayer's Pills are in general demand among our customers. Our sales of them exceed those of all other pills combined. We have never known them fail to give entire satisfaction."—Wright & Hannelly, San Diego, Texas.

## FULL OF THANKFULNESS.

If He Did Fail to Run a Ranch With the Assistance of a Pair of Mules and a Mortgage.

"Thankful? Oh, yes. I've got a heap to be thankful for. I'm just biling over with gratitude," said a San Joaquin rancher, who had just stepped out of a lawyer's office on Montgomery street. "Look here, young man, did you ever try to run a ranch with one pair of mules and a mortgage? No, I s'posed not. When I took up my quarter section I had to mortgage it to start. The first year was a bad one and the wheat crop failed. Then I got into debt for seed and grub and the interest piled up on the mortgage. I've been wrestling with that mortgage ever since, but it downs me every time.  
"Last spring when the wheat came up it looked first rate, and my wife and I watched it grow as you would a youngster, if you had one. We worked, hard, got along without help most of the time, and went to bed every night plumb tuckered out. We hoped to get a little ahead of the mortgage this year, but it would have to be a big crop and a big price to pull us out of the hole.  
"Well the crop was just fair. Bags cost a good deal more than anybody had a right to charge, taxes were high, and I have only got a middling price for my wheat. While we were waiting for harvest time we used to figure up once in awhile to see how we'd come out. My wife would be tired most to death with her work, for you must remember that a woman's work on a ranch where she does all the cooking washing and mending, and takes care of two or three children, is no picnic, and my back would be aching like it was breaking in two, but we'd just sit down and figure. It was close calculating, but we allowed that a good price for the crop would make both ends meet.  
"When a letter came from the commission man telling in ten words that all our year's toil was going to bring us only in debt and tough rustling for grub over again, we just looked at our roughened, stiff-jointed hands and wondered whether it was worth while to raise stuff for other folks to eat and go hungry ourselves.  
"It just meant that our backs had ached that somebody else might take things easy. It meant that the kids would have to get along with the same old duds for another year. Do you know, it seemed to me for a moment that if I took a shotgun and went out on the stage road I wouldn't be doing any more than the chaps who live on mortgages do; mebbe it would be a little squarer and more man fashion way of getting what doesn't belong to me. Still, as I was brought up to that business, I did not think of it long.  
"You work like a Chinaman all the year, work till you ache all over, raise wheat enough to feed a small village for a year, and then find that you have worked yourself deeper into debt, and see if you don't have some queer notions bobbing in your head. Then you go up to a fellow who sits in an office, wears good clothes, and never does a lick of work that's of any use to any body, hand over to him the money that your wife and children need, and almost on your knees beg him for the favor of being robbed by his mortgage for another year, and tell me if you feel your heart just bursting out of your shirt with promiscuous, all-round gratitude."—S. F. Examiner.

**Catarrah Cured.**  
A clergyman, after years of suffering from that loathsome disease, Catarrh, and vainly trying every known remedy, at last found a recipe which completely cured and saved him from death. Any sufferer from this dreadful disease sending a self addressed stamped envelope to Prof. J. A. Lawrence, 88 Warren St., New York City, will receive the recipe free of charge.  
A Vermont man has started a newspaper at Jamaica, in that state, and calls it *Jamaica Ginger*.

**THE FIRST SYMPTOMS OF DIABETES.**  
Knowing that a cough can be checked in a day, and the first stages of consumption broken in a week we hereby guarantee Ayer's English Cough Remedy, and will refund the money to all who buy, take it as per directions, and do not heed our statement correct.  
J. W. Conn, Druggist.

There are some able romancers in North Carolina, or some very large trees. From Clyde Station comes the story that a poplar tree was cut there so large that it made plank enough to furnish weatherboarding, ceiling and flooring for a church 50 feet long, 38 feet wide and 12 feet high. From the same tree a fence was built on three-quarters of an acre around the church. There were three logs left over, and "the remaining three logs contained lumber enough to build another church as large as the first."  
A scheme has appeared in Bucharest to found a union of the Balkan States, including Greece, Roumania, Servia, Bulgaria and Montenegro. The federal States are never to go to war with one another. When any of them quarrel, the subject of difference is to be submitted to a council of representatives of all the five allies, under the presidency of Greece.  
Cancers, and cancerous tumors, are cured by the purifying effects of Ayer's Sarsaparilla.  
Emperor William has officially notified Prince Alexander of Battenberg that he does not desire his presence in Berlin either in connection with the settlement of the affairs of his father, the late Prince Alexander of Hesse or any other business.  
Idleness is a Dangerous Fault in the kidneys. When inactive they speedily fall into disrepair. Those obstinate and fatal maladies, Bright's disease and diabetes, ensue with terrible certainty upon the neglect of the organs affected. Catarrh of the bladder, emesis, gravel and strangury are also to be apprehended from a partial paralysis of the bladder, of which weakness and sluggishness are the causes. Hostetter's Stomach Bitters is a fine tonic and promoter of activity for the renal organs, and one which can be relied upon to afford them the requisite stimulus without exciting them—an effect to be feared from the unmediated alcoholic excitant of commerce. A further beneficial effect of the Bitters, by renewing activity of the kidneys, is to enable them to drain from the blood in its passage through them, impurities productive of rheumatism and dropsy. Nervousness, fever and ague, constipation and dyspepsia are conquered by the Bitters.

The passage of the Springer bill through the house, opening the western half of the Indian territory, appears to have turned the head of every land hungry man, woman and child residing in the states bordering on that territory, and the borders of the reservation are now lined with "boomers."  
**PARENTS CRIMINALLY LIABLE.**  
More than half of all deaths occur before six years of age. An army of innocent, lovely children are swept needlessly away each year. Parents are criminally responsible for this. The death rate of children in England is less than half this. Acker's English Baby Sooter has done more to bring this about than all other causes combined. You cannot afford to be without it.  
J. W. Conn, Druggist.

The Rev. Dr. Burchard and Mr. Blaine are at the same hotel in Washington.  
**BETTER THAN SUICIDE.**  
Professor Arnold says: "An incurable dyspeptic is justified in committing suicide." I will guarantee to cure any dyspeptic within three months by Acker's English Dyspepsia Tablets.  
J. W. Conn, Druggist.  
Prince Bismarck's attack of neuralgia is complicated with rheumatism, renal disorder, want of appetite and insomnia. He continues to work, against the advice of his doctors.  
**TERRIBLE FOREWARNINGS.**  
Cough in the morning, hurried or difficult breathing, raising phlegm, tightness in the chest, quickened pulse, chilliness in the evening or sweats at night, all or any of these things are the stages of consumption. Acker's English Cough Remedy will cure these fearful symptoms, and is sold under a positive guarantee by J. W. Conn, Druggist.  
The mob of idle and hungry working men in Rome numbers 19,000. Unless they get employment very soon they are quite likely to make Rome howl.  
**DO NOT SUFFER ANY LONGER.**  
Tired feeling, dull headache, pains in various parts of the body, sinking at the pit of the stomach, loss of appetite, feverishness, pimples or sores, are all positive evidence of poisoned blood. No matter how it became poisoned it must be purified to avoid death. Acker's English Blood Elixir has never failed to remove scrofulous or syphilitic poisons. Sold under positive guarantee by J. W. Conn, Druggist.  
The Prince of Wales has engagements booked for every day in 1889.  
**DIABETES.**  
DR. FLINT'S REMEDY, when taken in cases of diabetes, will show its curative effects in the diminution of the amount of urine, in the restoration of a normal appetite, and in the banishment of pain. Descriptive treatise with each bottle; or address Mack Drug Co., N. Y.
