BRYAN SPEAKS AT DEMOCRATS' BANQUET.

In the Campaign of '90 He Says the
Party Will Rely on New Men—
Many Toasts Drank.

LOUISVILLE, Ky., June 1.—The Young
Men's democratic club of Louisville to-
night at Judge James P. Tarvin, at
which Mr. Bryan and other distinguished
men in attendance at the convention of
the Ohio Bimetallite League were present
and at which 300 plates were laid.
Mr. Bryan responded to the toast,
"The Democratic Party," speaking briefly,
saying that the committee had ar-
ranged for his return next Friday, at
which time he would speak more fully.
In his speech last night he said that in
the campaign of 1896 the party was com-
pelled to rely on new men because of
the desertion of the old ones, and as
a result many new stars appeared in
the firmament of the party. He liked
the democratic party as a business organ-
ization for the carrying out of certain fixed
beliefs. He touched on the Chicago plat-
form in his usual strain, saying it was
written for all time and not for one cam-
paign. Following Mr. Bryan, Mr. Chas.
K. Wheeler, of Kentucky, responded to
"The American Army and Navy."
After Mr. Wheeler Judge Toney of
Louisville paid a magnificent tribute to
"The untrodden quays of America and
their power in politics."
Mr. David R. Murray, of Kentucky, re-
sponded to the toast "Shall we retain
the Philippines as a part of our perma-
nent possessions?"
Following Mr. Murray, Ex-Governor
John P. Altgeld responded to the toast,
"Government and municipal ownership
of public franchises."
He said:
"In all ages there have been men and
women ready to fight for humanity. The
social conditions as they exist today are
making hyenas of men. There are men
dressed in rags and those of selfish
commercialism. There are certain
combinations controlling the utilities of
our country, known as monopolies, and
the republican party says 'let the free
individual have the benefit of those,'
but the mission of the democratic party
is to see that the community operates
and receives the benefit of these instead
of a few financial organizations. The
question of the present age is that of
municipal and governmental ownership
of public franchises. This question marks
the next forward step of humanity."
Following Mr. Altgeld the Hon. George
Fred Williams of Massachusetts respond-
ed to "The money of the constitution."

THE AMERICAN PROJECT.

Text of the American Proposal for a
Permanent International Tribunal.

THE HAGUE, June 1.—The American
project for an international arbitration
tribunal was accompanied by the mem-
orandum entitled, "Memorandum on the
commissions of the United States,
submitted with their project for a perma-
nent international tribunal."
The text of the memorandum follows:
The proposal herewith submitted
takes form as a resolution looking to
action outside of the conference from
our instructions. The proposal shows the
earnest desire of the president of the
United States for a permanent interna-
tional tribunal for the conduct of ar-
bitration between nations, and the wil-
lingness of the president to aid in the
establishment of such a tribunal upon
the general lines indicated.
"The commissioners of the United
States are ready without insisting upon
the form of their own resolutions to try
to develop the proposals hereafter sub-
mitted to the conference, so that they
shall embody what is essential in this
plan. It seems to the United States com-
missioners that it ought not to be diffi-
cult to associate with the several pro-
posals, as they may eventually be de-
veloped for mediation in various forms
of international inquiry and arbitration by
special arrangement, a plan for a perma-
nent tribunal of arbitration which will
embody what is essential in the American
resolution."

DISCHARGED FOR DISABILITY.

Governor Rogers' Attempt to Settle the
Boundary Dispute.

OLYMPIA, June 1.—First Lieutenant E.
K. Irvin of company A, First Washington
volunteers, has been discharged for phy-
sician disability. Governor Rogers orders
that promotion proceed in the customary
order to fill the vacancy.
Governor Rogers has appointed Fred L.
Ryce, of South Bend and John D. Nye,
of Cathlamet, to represent Washington
on the boundary commission. This is
in accordance with the senate resolution
of last winter, which provides that a
commission be appointed to act with a
like commission from Oregon to settle
the boundary line between the two states.

BACK TO CIVILIZATION.

TACOMA, June 1.—Advises from Daw-
son state that John Fish and H. Williams
reached there on April 15th on foot from
Kotzebue sound. They are the advance
guard of 100 prospectors who swarmed
over the tributaries of the Kotzebue last
fall, but are now anxious to reach civil-
ization. Fish says the opening of Bering
Sea will see the exodus of the last white
man and only a scattering of cabins will
mark the scene.

Fish reports that Kotzebue sound is
thickly peopled with an intelligent race
of Indians closely resembling the Japa-
nese in habits and physique. Their prin-
cipal diet heretofore has been dried sal-
mon, but the abundance of white man's
food last summer was the cause of laying
away less than half a crop of salmon.
The result this winter was that the ill-
nourished natives have been dying off
like sheep.

DAUGHERTY FOR SPEAKER

Little Doubt but What He Will Re-
ceive the Support of the
Convention.

COLUMBUS, Ohio, June 1.—This has
been a Daugherty day in the republican
state convention as much as yesterday
was Nash day. Conference continued,
however, and the field may yet turn on
Daugherty. There is as yet no winning
side, and there are those who believe
no winning combination can be formed
until after test of balloting.

The committee on permanent organi-
zation decided to report in favor of mak-
ing temporary organization permanent.
As the temporary organization was se-
lected by the old state central committee
and was favorable to Daugherty, this
action was claimed as one of the series
of Daugherty victories of the day.

Among the features of the day were
speeches at the hotel that were bitter
and those at the convention that were
all for harmony. Many leaders
who joined the chorus at the Auditorium
that was held from four to six p. m.,
sort of peace jubilee, however, spent the
night in contests and conferences that
would not be called very harmonious.
While H. B. Daugherty has apparently
had the best of it all day, Nash will be
a close second choice and Lieutenant
Governor A. W. Jones, a much closer
third than anticipated.

The new state committee tonight elect-
ed Vivian J. Feglin, chairman and P. W.
Durr, secretary.

The session of convention today was
brief. The convention assembled shortly
after 4 p. m. and before six p. m. ad-
journed until 10 a. m. tomorrow so as to
allow the committees to meet tonight.

This factional fight has attracted the
largest attendance ever brought out by
an Ohio convention. Hon. Cyrus Huling,
chairman of the state central committee,
called the convention to order. There
were great demonstrations when Senators
Hanna and Foraker and others entered
the hall. Huling, in his speech, was
cheered at every mention of the name
McKinley. He announced that the state
committee had selected Hon. W. S. Kerr,
of Mansfield, for chairman of the con-
vention. On being introduced Congressman
Kerr was heartily cheered. During the
delivery of his speech, there were dem-
onstrations whenever the name of Presi-
dent McKinley was mentioned.

A feature of the convention was a love
feast that was not down on the program.
Mr. Kerr closed his speech by saying:
"Let us shake hands and follow the lead
of McKinley and Foraker and Hanna
and Grosvenor and Bushnell and the rest
let us go forth from this convention
united and to victory."

Many delegates took up this key note
and proceeded to call on the leaders for
speeches, all responding except General
Grosvenor, who had left the hall. Sena-
tor Foraker joined in a plea for peace.
The great duty of Ohio republicans was
to get together. United they were, else
they were beaten in advance if
divided. Ohio is the home of President
McKinley and should head the column
for next year.

Senator Hanna made a most vigorous
appeal for harmony. Governor Bushnell
created quite an amusing stir in follow-
ing Senator Hanna and saying: "There ap-
pears to be every evidence of harmony
here. That's what we need; that's what
we all want."

AGREE WITH MAJORITY.

COLUMBUS, Ohio, June 1.—The re-
publican members of congress from Ohio
held a conference tonight to consider
the attitude of the Ohio delegation on
the speakership.

There were 12 of the 15 Ohio republican
members present, but three absentees
had previously agreed to abide by the
decision of the majority.

A formal ballot was taken and the
vote stood 11 for Henderson, of Iowa,
and one for Sherman, of New York.

ARRESTED FOR LYING.

CHICAGO, June 1.—A special to the
Chronicle from Dallas, Texas, says: The
excitement over in Henderson county be-
cause of the lynching of the three Hum-
phreys on May 23 is still intense. Eight
prominent farmers and cattle raisers in

the vicinity of Aley, where the lynching
took place, have been placed in jail at
Athens, charged with participating in
the crime. The state and Henderson
county have offered rewards approxi-
mating \$500. The preliminary hearings
have been postponed until next week.

AMERICAN PLAN PRACTICABLE.

LONDON, June 1.—The special dis-
patches to The Hague to the London
morning papers agree that the American
scheme meets with much favor, as being
eminently practicable. Sir Julian Paun-
forte, the head of the British delegation,
has modified the British proposal, and
now suggests that the administrative
council should not be international, but
should be appointed by the government
of the country where the permanent
court assembles.

According to the correspondent of the
Daily News the arbitration committee
has unanimously recommended the Ameri-
can scheme to the conference.

A long debate occurred today between
the English and American delegates in
order to arrive at a compromise upon
the Anglo-American scheme as against
that of Russia. As a result, Sir Julian
Paunforte's plan will be laid on the
table tomorrow. The professors of in-
ternational law at the conference regard
the American scheme as practical.

THE DEWEY HOME.

NEW YORK, June 1.—In order that it
may be clearly understood whether it
was Admiral Upshur's intention when he
suggested a gift of a residence in Wash-
ington to Admiral Dewey, as long as he
remains at the head of the navy and
thereafter to pass to his successors as
time goes on, the department of history
of the United States wrote to Admiral
Upshur asking for his idea on the mat-
ter under date of May 25. The admiral
replied as follows:

"Your inference that it is my prefer-
ence that a home be purchased by the
free will offerings of Americans for the
admiral of the navy, should be occupied
by Admiral Dewey as long as he remains
at the head of the navy and then to
pass to his successors is entirely cor-
rect."

PACIFIC MAIL CO.'S EARNINGS.

NEW YORK, June 1.—The annual re-
port of the Pacific Mail Steamship Com-
pany shows gross earnings of \$1,160,712,
against \$1,064,229 last year; operating ex-
penses, \$3,021,577, against \$3,142,077, and
net earnings, \$1,164,225, against \$89,564.
The balance for the current year, \$22,
228,001 having been deducted for the
loss of the steamship Starbuck.

The company has ordered two steel
ships of a gross tonnage of 10,000 tons,
with 18 knots speed, with accommodation
for 100 first class and 1,200 steerage pas-
sengers. The company is free from all
debt except current expenses and has
cash on hand \$1,142,896.

GRAIN RECEIPTS DECREASED.

BUFFALO, June 1.—The receipts of
flour and grain at this port for the month
of May show a big decrease as compared
with last year, owing chiefly to the late
opening of navigation and the strike on
the docks. Flour receipts for the month
were 312,031 barrels, as against 1,335,631,
and wheat 2,331,335 bushels, compared
with 3,673,600 bushels. The east bound
shipments by rail show a still greater
decrease. In May this year 15,156,000
bushels of grain went by rail, against
25,394,250 bushels last year.

EDUCATIONAL WORK REVIEWED.

SAN FRANCISCO, June 1.—The Ameri-
can Baptist Home Mission Society held
the fifth session of its sixtieth annual
convention today. The educational work
of the society was reviewed in an able
address by Rev. Alexander Blackburn, of
Oregon. H. B. Daugherty, of California,
spoke on the "Evangelization of Our
Foreign Populations," and "Work among
the Chinese," was explained and illus-
trated in an entertaining manner by Rev.
C. H. Hobart of California.

EX-COLLECTOR PHELPS ILL.

SAN FRANCISCO, June 1.—Hon. Tim-
othy Guy Phelps, chairman of the board
of regents of the University of Califor-
nia, and ex-collector of the port of San
Francisco, is lying seriously ill at his
home in San Carlos, as a result of in-
juries received last Sunday, when two
cyclists on a tandem ran into him. Con-
cussion of the brain is feared.

BANK PAYS AGUINALDO.

SEATTLE, June 1.—The Hongkong
Daily Press reports that the claim made
upon the Hongkong and Shanghai bank
by Aguinaldo for \$200,000 deposited with
the bank has been settled. The money
has been paid over to Aguinaldo's rep-
resentatives.

PATY DU CLAM ARRESTED.

PARIS, June 2.—1 a. m.—Lieutenant Du
Paty du Clam, who was seriously im-
plicated by the recent proceedings before
the court of cassation and probably the
instigator of some of the forgeries that
have figured in the Dreyfus affair, was
placed under arrest at 7:30 last evening
(Thursday) and taken to Cherche Midi
military prison.
