Free Methodist Church Notes
We are here according to appoint-
ment, commissioned of God to repre-
sent the kingdom of heaven.

REV. A. L. Haywood

We are accordingly nicely settled
in the very convenient and comfortable
parsonage situated on east Ann street
number 313.

FREE METHODIST PARSONAGE

In these days of confusion and un-
rest and considering the way many
that are being swept out of this life
every day by disease, accident and
otherwise we conclude that the cry-
ing need of this country is a gospel
that prepares man for any and every
danger or calamity, however sudden.

We are therefore here to preach
the old fashioned doctrine of repen-
tance, the new birth and holiness which
give man a definite, positive knowl-
edge of sins forgiven and their ac-
ceptance with God.

These doctrines appeal to those
who are desirous of making sure of
a preparation for the next world and
are none other than the New Testa-
ment Gospel.

At present we are holding special
services every night except Saturday
in the F. M. Church, situated on the
corner of Center and Ionia streets.

FREE METHODIST CHURCH

The Lord is blessing our labors and
some are seeking and receiving de-
finite help at nearly every service.

The shoe repair man is one of your best friends in these days as he can fix up like new a pair of your old shoes which it would take several times the cost of repairing to replace.
