ONTARIO DOES IT RIGHT.

The draft contingent that entrained
here Wednesday evening for Fort
McDowell, California, was sent away
from Ontario with a smile, a hearty
hand shake, good cheer, verbal inspiration,
and a good feed. In the
city park at 4 o'clock a short speaking
program honored the occasion and
the 42 Malheur county and 20
Harney County boys who made up
the contingent. Mayor W. F. Homan
presided; J. W. McCulloch gave the
address, congratulating the new soldiers
on their honor as representatives
of the nation in this great humanitarian
cause; Rev. Herbert Livingston
reminded them of the solemnity of
their mission and offered an invocation;
Dr. W. H. Whitney presented
them, on behalf of the W. C. T. U.,
with "housewives;" and the Wienie
trio sang a song or two. At five
o'clock the 62 were guests of citizens
of Ontario at a dinner served at the
Silver Grill. Later, when their two
sleeping cars were picked up by No.
5 and pulled out for Portland, a big
crowd cheered a farewell at the station.

**National and Local Meat Business**

The meat business of the
country is conducted by various
agencies—

By small slaughter-houses
in villages—

By local Abattoirs or small
Packing Houses in towns—

both

Using only a part of the
local live stock supply

and

Furnishing only a part of
the local demand for meat.

These slaughtering and distributing
agencies fill a well defined but necessarily
restricted place in the distribu-
tion of the products of live stock.

But only packers like Swift &
Company, organized on a national
scale, are able to undertake the service
that is more vitally important,
involving

An Obligation to the Producer

To purchase for spot cash all the
live stock the producer may send
to market for slaughter.

An Obligation to the Consumer

To make available to every consumer,
everywhere, in season and
out, the full supply and variety of
meat products, of the highest
standard that the market affords.

instructive facts sent on request.

Make This Room Yours

Whether you are building a brand
new home, making additions to the old
one or merely repairing walls, you can
have a room like this if you use genuine
Beaver Board.

Beaver Board walls and ceilings are more
handsome, more substantial and more sanitary
than any other kind. They are the easiest
walls to build. No lath or plaster—therefore,
no litter. Beaver Board always gives satisfaction.
But you can't expect Beaver Board
results unless this trade-mark is on the back of
the board you buy.
