By their occasional use, we prevent the collection of those impurities, which, when in sufficient quantities, cause so much danger to the fine organs of the stomach and howels. They soon cure liver complaint, dyspepsis, loss of appetite, pain in the head, heart-burn, pain in the breast bone, sudden faintness and costiveness. In brief, Brandreth's Pills work their way to very roots of the disease, cleansing in their passage, re-moving every unhealthy accumulation, till the bood is purified, the whole system renovated, and the functions and duties of life become a pleasure, where before they had been sad and weary burdens. We have thousands of similar testimonials to the follow-ing, and such evidence can be had from living witnesses all

around us on every side. It is from a gentleman of high respectability, whose letter can be seen at the principal of fice. He writes: "I am now fifty-two years of age."
For twenty years I have used your Pills as my family medicine, and I wish no other; and I have never had occasion to call a physician in my family, (save in the sickness of my wife with children) during the twenty years." TRUE MEDICINAL PRINCIPLES. Never extract blood Blood is the life. By abstracting

it in painful diseases you may occasion the patient case, but remember this case is only the reduction or lessening the power to feel. And by thus taking away nature's tools you may prevent her from tully repairing the ravages of in lammation, and convert what might only have been the sckness of a few days or weeks into a chronic affection of nonths or years. PURGING BY MEANS OF BRANDRETR'S PILLS. This is the means which accords with nature—nature's remedy in fact. When sudden, acute or continued pain oc-

curs, then to insure security you must take a medicine that will surely purge. There must be no shirly shallying, because every minute lost may be fatal.
