Vote For Lat H. Lutes For Representative

LAT H. LUTES, Republican candidate for Representative of Bryan County, has been a resident of Bokchito, Oklahoma, for the past fourteen years.

We have known Lat these many years and through his honest dealings with the farmers, and public in general, we recognize in him a man well qualified for the office which he seeks.

He is ready at all times to offer his service for the religious, educational, social and commercial betterment of his town and community. We know that he will be an honest representative of all the people of this county. He is not bound by any clique or political bosses, but is familiar with the needs of the people of this county and if elected will serve them with credit and distinction.

One opponent on the Democratic ticket has been a lifelong Republican. The other opponent has been a lifelong Socialist, and two years ago he was a candidate on the Socialist ticket, for the same office he now seeks on the Democratic ticket.

We solicit for Lat H. Lutes the votes of all the people who stand for Constitutional Government and the rights of all the people. A vote for him on November seventh will be a vote for a genuine representative of all the people of Bryan County.
