Chairman Resigns

And Meeting Called for 1st. Monday
to Fill the Vacancy

To the Members of the Democratic Executive Committee
Of Lawrence County
Tennessee.

GENTLEMEN:—

I hereby tender my resignation to you as your Chairman and request you to meet in my office on the first Monday in December for the purpose of selecting my successor and taking such further action as you may desire.

In doing this, I wish to express to you my assurance of sincere appreciation for the honor which you conferred upon me, and to thank you for the loyal support you have given me, and the earnestness with which you have labored for the success of our party. I retire because I prefer a place in the private ranks to a commission, wherein I am constrained to believe, others are more capable to lead our party to victory. It is true, that since I was a boy in my teens, there has never been a battle in which I did not engage as a private in the ranks, and my friends know how well I did my duty. A few times have I met my own people in fierce struggles for party nominations, and with one exception was always defeated, but the

man has yet to live who has ever heard of my "sore toe." If I had one I concealed it from friend and enemy alike. I have none now. I retire from the Chairmanship believing it to be to the interest of the Democratic party, from the fact that my business demands my entire energy and undivided attention and party organization or business must suffer. I am always willing and ready to follow the safe and conservative leadership of such men as you are, but hereafter the sphere of my activities must be limited to casting my own ballot. Our administration has therefore been a stormy and disastrous one for the party, but I believe that I can see a brighter day dawning. I am too old a soldier in the cause of Democracy and have had too many scars in its battles, to desert leadership except to give place to one more capable and whose surroundings and circumstances better enable us to turn defeat into victory. Under the conditions of our local Democracy, and the stress of my business affairs, however I feel sure, after mature deliberation, that this is the proper course for me to take.

Yours very truly,
L. B. WHITE,
Chairman.

AN INVALUABLE WORK.

"Life and Sayings of Sam Jones," Edited by His Widow.

The people of the United States, who knew the late Sam Jones as an unexcelled evangelist and pulpit orator, will be glad to learn that his life and sayings are to be made imperishable in the form of a volume that will be published by J. L. Nichols & Co., of Atlanta early in December.

A few days after the funeral of the great evangelist Mr. A. N. Jenkins, president of Nichols & Co., in company with Mr. J. L. Turner, of the Turner-Franklin Printing Company, went to Cartersville and a contract was entered into to push the work to completion at the earliest practical moment. The work is under the supervision of Mrs. Jones, who is assisted by the Rev. Walt Holcomb, the Evangelist's co-worker for a number of years and closest friend, together with a corps of trained writers and compilers.

ALWAYS WAS SICK.

When a man says he always was sick—troubled with a cough that lasted all winter—what would you think if he should say he never was sick since using Ballard's Horehound Syrup. Such a man exists. Mr. J. C. Clark, Denver, Colorado writes: For years I was troubled with a severe cough that would last all winter. This cough left me in a miserable condition. I tried Ballard's Horehound Syrup and have not had a sick day since. That's what it did for me. Sold by Crowder Bros.
