WINCHESTER:

THURSDAY EVENING, JULY 15.

MEETING.

Winchester, July 7th. At a meeting of the citizens of Winchester, comprising both ladies and gentlemen.

Dr. Lewis Metcalf was called to the chair and W. J. Slatter appointed Secretary.

The President having explained the object of the meeting to be the arrangement of a Pic-Nic at Sewanee Mr. Colyar offered the following re: olution, which was adopted:

Resolved, That a Committee of five be appointed, whose duty it shall be to make all necessary arrangements for a trip, by the citizens of Franklin county, to Sewance on next Friday to from Bersheba Springs.

were then appointed on said Commit- him by Benj. Franklin, lying on the waters of

F. T. Estill, A. S. Colyar, Dr. S. W. Houghton, N. Frizzell, Jr, and Col. Hu. Francis.

On motion, Wm. G. Brooks, B. F. McGhee and Thos. S. Logan were ad- Jessie Lilley, ded to the committee.

After some very appropriate and entertaining remarks by Messes, Estill and Colyar on the following resolution, law cannot be served upon him, and has efit was unanimously adopted.

Resolved, That in view of the magnitude and importance of the "University of the South," and especially of its identity with us, and it being a moral instead of a monied institution in any citizen of Franklin county to be taken for confessed, and set for hearing, speculate on said University in moun tain lands, where they may be required for University purposes.

On motion, Resolved, That the Brass Band of Winchester be requested to attend the meeting at Sewanee.

Resolved, That the ladies be present on the occasion referred to.

Resolved, That the Home Journal be requested to publish these proceed-

On motion, the meeting adjourned. LEWIS METCALFE, Pres. W. J. SLATTER, Sec.

Kentucky Crops.

The farmers of Logan county are harvesting their wheat crops, most of which turn out better than was anticipated. In Bullitt and Hardin counties, as we believe is the case general-In this State, with thre exceptions. the oat crop is a failure The rust has ruined it in the counties named, so that | Jesse Arledge against, John Frizzell, and W it is hardly worth cutting. The wheat is being harvested, and yields tolerably well. The corn in some parts of those counties is very backward, but looks well. The wheat crop of this State is a short average.—Louisville Courier 25th.

Type Setting and Distributing Machine .- Mr. T. Alden, of New York, has invented, after many years of experimenting, a very ingenious machine for the composition and distribution of types. The mysteries of the invention cannot be explained with sufficient brevity for these columns-but the chief merit of the thing, in which it excels other contrivances of the kind is:--that the type are set and distributed by one and the same machine again just in the right places, with never a blunder except when the human agency at the machine makes one; the way in which the type are fed out and returned again through an endless round, so that the distribu- Informs the citizens of Winchester and vition keeps up a constant supply for the composition; and the cunning de- REPAIRING AND VARNISHING what thought and perseverance can accomplish. Mr. Alden thinks that a good compositor, accustomed to mani-The cost of the machines will probably be from \$1,200 to \$1,500.

Sale of Land.

On Monday, the 19th day of July, 1858, be ore the Court House door in Winchester, I will offer for sale, to the highest bidder, al the lands of which Joel Matthews died, seized and possessed, containing about 103 acres, a more particular description of which will be given on day of sale. To be sold in pursuance of a decree of the Circuit Court of Franklin County, Tenn-, pronounced at the March term, 1858, in the cause therein pend- may be relied on. ing of "David Osborne, Guar. &c.,-Petition to sell land."

TERMS.

Said land will be sold on a credit of one, Bar Subscriptions for a shorter time two and three years. The purchaser will be required to give bond with good and approved ocurity, and a lien retained on the land until the purchase money is paid. The biddings or said land to commence at \$2 per nere. N. FRIZZELL, Clerk. &c.

\$ 5 60.

Sale of Land.

By virtue of a decree of the County Court d Franklin County, in Tennessee, pronounced at its June Term. 1858, in the cause of James M. Lynch and others against W. W. Lynch's heirs and others, I will on

Monday, 26th day of July next offer for sale to the highest bidder, on a credof twelve months at the Court house door in Winehester, the lands of which John W. A. If your hair is gray, Lynch died seized and possessed, assigning If your hairle thin, the widow of said decendant dower, &c .-One tract contains 5 acres, the other contains If you are bald, 33 acres and one road, lying and being in It you have nervous head District No. 9 of said County, the bidding for If you have dandruff, the same is to commence at \$8 00 per acre. bond and scennity, and a lien will be retain- If you desire glossy hair. Use Prof. Wood's hair restorative. ed on said land until all the purchase money June 17th, 1858. WM. E. TAYLOR, Clk.

Reasons why this Machine is Universally Preferred over All Others.

1 Because it is the only Sewing Machine n the world ever invented, so constructed as to fully meet the demands of families for generaluse. 2 It is very simple and is never liable to get out of order.

3 It makes a seam which will not rip. hough every thread stitch is cut. 4 It is not a shuttle machine.

5 It sews with too needles, making any ength stitch desired. 6 It sews from two ordinary spools, and ans all trouble or winding thread is avoided while the same Machine can be adapted at pleasure, by a mere change of spools, to all

varieties of work. 7 The same Machine runs silk or linen tread, and common spool cotton, with equal

8 This Machine will sew in the sleeves of coat with the same ease and facility that it sews a straightscam. 9 This Machine can be run to make one

housand five hundred stitches per minute. 10 The seems are as elastic as the most clasic fabric so that it is free from all liability to break in washing, ironing or otherwise. 11 The statches made by this machine are

more beautiful than any other made either by hand or machine. The price of the Machines at office in New York, range from \$75 to \$150, an additional charge of \$10 is only made on each machine

over New York prices at office in Nashville,
