Fire Destroys Country Home

The country home of Mr. J. A. Myers, twelve miles south of Greeneville, in the 18th district, was destroyed by fire about 7 o'clock Thursday morning. The fire had gained such headway when discovered that it was impossible to save only one bed from the household effects. Mr. Myers carried no insurance and the loss falls heavily upon him. He also lost forty or more stands of fine Italian bees, which were stationed near the house. The origin of the fire is unknown.

Mr. Walter W. Brown has been confined to his home with influenza for several days, but is reported much improved.

We are requested to state that there will be no further postponement in the opening of the Greeneville burley market. All local warehouses will begin sales on Thursday, January, January 2, 1919.

The Christmas idea will be used in the decorations and refreshments.

Won't Eat

Watch the tongue of your young!
Clean the clogged-up places!
Bring joy to little faces!
Kiddies will eat and smile,
When you do away with bile.
Careful mothers o'er the land
Always keep Cascarets at hand.
Children think them dandy—
They are mild cathartic candy,
Cascarets sell for a dime,
They "work" every time.

Mothers! When a child has a coated tongue, tainted breath or is bilious, constipated or full of cold, give Cascarets—so directed on each 10 cent box. Children gladly take this harmless candy which thoroughly cleanses their little stomachs, livers and bowels without griping.

SOMEWHERE IN FRANCE

Dec. 1, 1918.

Dearest Mother:—

Another uneventful week as far as you would be interested; hence, no news, but quite to the contrary here. The first locomotive to traverse this country is standing about five hundred feet from our camp, and some sensation it was, not only the natives stood aghast with mouths open, but some of the rest of us hadn't seen a train for so long and the joy of seeing one again mingled with the fact of having helped get it here, produced about as spectacular a scene as did those who had never seen one before. The tracking outfit is the most efficient outfit I have ever seen, each man is a part of the machine, and if he fails to hold his end up it "jimmies the whole works, but the men are not slackers because the war is over, they lay as high as eight thousand feet of track a day. Have about three days more work laying the "Y" and a spur, then the big idea will be to get to Vancouver and then home.

Some of our men are put on detached service, and suppose I will be one of them, and perhaps will be here for a couple of weeks yet working up a final report. If such is the case, when I do start for Vancouver I'll go straight through and won't have to stop and help clean up some camps as we go in. Don't send anything of any importance to me through the mail and put a big return address on your letters, because I am going to be a rolling stone in a few days, until I get home.

A man brought in a cougar last week that measured nine feet from tip to tip. One can never see them unless he knows how to hunt for them, because they are bigger cowards than men and have better eyes.

Sunday I went to the ocean and came back through an Indian reservation. I killed a grouse with a rock and Mrs. Poulsen fried it for our lunch.

Will see you soon.

Lovingly,

GENE.

TO THE PEOPLE OF GREENEVILLE

The Christmas Roll Call is the great plan to again help suffering humanity. The American Red Cross must be kept strong and efficient that it may do its full share. With our two million soldiers across the water, with the epidemic of influenza so bad the Red Cross work must be kept up, we want every man, woman and child to join. It is only one dollar. Oh, how much good your dollar can do! Join now.

Get somebody else to join. We want to add two thousand to our number. If you are a member, renew. If not a member, join. See the chairman of your auxiliary; give in your name, help him get other names. It is your work. We have made a record in Greene county; we must keep the good work up. We are depending on you.

Dec. 16th to 23rd is the date.

W. R. LOWRY,
Chairman of Roll Call.

BEWLEY'S CHAPEL

One Wednesday, Dec. 4th, the great white-winged angel of death came and hovered around the bedside and carried away the oldest son of Mr. and Mrs. John Keith. Thomas S. Keith was born Sept. 5, 1898. On Saturday morning, at Bewley's Chapel, in the presence of a large crowd, Rev. A. A. Newman conducted the funeral service. He was ill only a short time, and as a result his death came as a severe shock to his loving parents and many friends. His life was so precious, so fraught with blessings to his parents that he seemed a flower of paradise, permitted to bloom for a brief season by their side, then recalled to its native skies, leaving the earthly road for them lonely and dark indeed. We extend our heartfelt sympathy to the heart broken family.

Sunday school at this place was well attended Sunday.

Mrs. George Easterly and children of Spartanburg, S. C., are guests of friends at this place.

Our community was shocked to hear of the death of Mr. Wilson Huff. The family has our sympathy.

Miss Mittie Smith, of Owen Creek, called on friends at this place Sunday.

Mr. Isaac Easterly and family spent Sunday with Mr. W. L. Easterly and family.

Misses Mamie Proffitt and Esther Critelous, of Long Creek, spent Saturday night with Miss Bernice Blazer.

Mr. Roscoe Wykle passed through our burg Sunday.

Miss Bernice Blake entertained a few of her friends with a candy pulling Saturday night.

Mr. Haskell Ottinger, of Parrottsville, was a pleasant caller at Mr. A. D. Blazer's, Sunday afternoon.

Miss Leona Ragan, of Cocke county, spent the week-end with Miss Lucille Easterly.

Messrs. Raney Reaves and J. D. Blanton spent Sunday afternoon at Mr. P. M. Easterly's.

Mr. John Keith was a business visitor at P. M. Easterly's Tuesday.

Messrs. N. B. and Eugene Easterly spent Sunday with Herman Blazer.

Messrs. Willie and Drew Keasling spent Sunday with their grandparents, Mr. and Mrs. Bird Holt, of Bruner's Grove.

What is wrong with "Two Chums." Why don't you write? We enjoy your letters.

Success to the Daily Sun and its readers. FARMER GIRL.
