To the American People

The chief cause of the ill health of the American people is Constipation. If the waste of the body is not properly disposed of daily, indigestion must result. When there is indigestion there is an improper assimilation of food, loss of flesh, and in time a general rundown condition affecting the whole nervous system and often causing disease of various organs.

The American Little Liver Tablet is the "Best General Regulator." They act as a general tonic to the stomach and bowels; nature is simply aided in doing her work properly and good health results. They are purely vegetable. Dose—One or two at night as needed. In case of chronic constipation, one half to one glass of hot or cold water, night and morning is helpful.

The American Throat Tablets have been carefully compounded to meet the general demand for a general throat tablet, to be dissolved in the mouth for hoarseness, sore throat, tonsillitis, coughs and colds. As children cannot gargle, and the American Throat Tablet is as palatable as candy, it is the remedy par excellence for them. They are helpful to the stomach and cannot be surpassed as a preparation to be kept in the house at all times. Directions—Dissolve one in mouth every hour or two as needed. Small children, one-fourth to one half tablet.

Nazol is an antiseptic, soothing nasal ointment for Catarrh and Colds. It is composed of Boric Acid, Sodium Chloride, Menthol, Oil of Eucalyptus and White Petrolatum—a formula that meets with the approval of physicians.

Nazol is put up in neat metal tubes. If you have catarrh, or cold in the head, try Nazol.

These preparations can be procured of your regular dealer, or will be sent by mail upon receipt of price.

Automobile Case Attracts Many Visitors

(Continued from page one)

driven by Clayton Silsby and the evidence would show that the driver slowed down to negotiate the curves. The Silsby car turned out for a team and the team turned out. As both were doing this the Heywood car came out unexpectedly on the way to St. Johnsbury. It being impossible for the team and two cars to pass at this point, the Silsby car slowed down and was forced to the right of the road so that it tipped over and went into the river. Nothing more was seen of the defendant's car which went right along. The plaintiff received serious injuries terribly crushed. Several inches of bone had to be removed from his arm and it was over two years before the wound healed. He was in the hospital 12 weeks at first and in the two years had to undergo three operations. At present the arm is practically useless. Because of the great pain, discomfort and injury which the plaintiff claims is due to the negligence of the defendant and her chauffeur, damages are sought.

Mrs. Heywood was the first witness and briefly examined by Lawyer Seales. She testified that she was in her Cadillac car, returning from Craftsbury, but as she was sitting on the little seat on the other side of the car she did not see the accident, but heard the crash as the Silsby car went into the river. She did not stop then, but stopped below where the accident occurred, but did not go back. She testified she knew the Silsby car was in the river with the boys in it.

Philip K. Beck was the next witness. He testified that when the accident happened he had been in school, but that now he was working in the tool room at the scale factory where he earned \$12 a week, plus the bonus. He testified that they left Fairbanks village in the Silsby car at a fair rate of speed, late in the afternoon but that Clayton Silsby slowed down when he approached the curve. He said the Heywood car did not blow its horn as it approached nor did it slow down. He said the Silsby car went to the right as far as it could and then landed in Sleeper's river. He said he was attending during his injury by Dr. Allen, also Drs. Cramton, Fitch and Aldrich.

Young Beck was on the witness stand for several hours. He told of the automobile ride he took with two other boys and of the accident. At the request of Attorney Graves he took off his coat and rolled up his sleeve to show the extent of the injury to his left arm.

The arm above the elbow was torn away to the bone, Beck showed the jury that he was unable to control the fingers of the left hand owing to the loss of muscles. While he is able to raise his arm to his shoulder his fingers hang helpless.

He testified that his family had paid out \$650 in doctor's bills since the accident.

Photographs of the scene of the accident taken last fall were introduced in evidence. For over an hour Beck was under cross-examination of General Sargent as to different locations as shown in the photographs relative to the accident. Beck said he was 15 years old at the time of the accident and the two boys with him, one of whom was driving the car were about the same age. He said he found no fault as to the way the car was being driven before the accident.

Merritt Welch was a life long resident of this town, passed away Nov. 21. He had been an invalid for several years. He was a much respected man. He leaves beside his wife, one son, Charles Welch, who has always resided at home, one daughter, Mrs. Fred Grady of this town, one brother, Hollis Welch of Lyndon Center, beside many friends.

Mr. and Mrs. Fred Day were in St. Johnsbury for Thanksgiving at their son, Clinton Day's. A. F. Emerson spent the day with his brother, Smith Emerson, at Passumpsic, E. E. Weed and wife, George Gerry and wife at George Weed's, Mr. and Mrs. Will Aldrich of Vail Hill at H. J. Mathewson's.

Mrs. Martha Drown and daughter, Eva of Lyndonville were weekend visitors at H. H. Eastman's.

Schools commenced Monday after the Thanksgiving recess. Frank Whitney and family spent Thanksgiving with their parents, Mr. and Mrs. Bertha Whitney. They returned to their home at Lyndonville, Monday.

George Berry who recently cut his foot badly is now able to walk without crutches.

Mrs. Martha Craig has gone to her daughters, Mrs. H. J. Mathewson's for the winter having closed her house.

Miss Dorothy Waldron is the guest of her friend, Mrs. J. B. Ripley. Mr. and Mrs. Fred Hoffman were at Burke for Thanksgiving with their daughter, Mrs. Wesley Humphrey and family. They are now visiting at Barton and Newport.

Mr. and Mrs. G. L. Gerry have returned from a three weeks' trip to Grand Rapids, Mich.

Mr. and Mrs. Charles Noyes have a daughter, born Nov. 16.

W. M. Willey has purchased a pony and outfit for their young daughters.

K. Davis of Lyndonville was the first to report killing a deer. The buck was shot just back of Wheelock village and had four points.

Fred Barber was married Nov. 17 and will make their home at the J.

B. Ripley house. Mr. and Mrs. Ripley will soon move to Windsor to make their home where Mr. Ripley is in business.

CABOT

The funeral of Mrs. Scrintha "Boyles" Hills, whose death occurred Thanksgiving day at the home of her daughter, Mrs. Bert Smith, was held at the Congregational church Saturday afternoon at 1.30 o'clock, Rev. M. W. Hale officiating. The bearers were Chester Walker, Orrell Bartlett, Arthur Hodgdon and Martin Wheeler. Burial was in the family grave with the sympathy of their many friends.

A son was born Nov. 22 to Mr. and Mrs. Carroll Houghton.

Mrs. Myrtle Turner of Berlin, was called here to attend the funeral of her aunt, Mrs. Scrintha Hills.

Raymond Houghton, who has been very sick is able to be out around. Miss Ida Barnard, a nurse from St. Johnsbury, was here a few days caring for Raymond Houghton.

The Judith Lyford Woman's Club will have a sale at Town Hall Saturday afternoon and evening Dec. 13th with a box supper in the evening. This sale is to get money to help furnish the new library which is to be built the coming year.
