Postponed Events.

There are two outdoor accessions dates with expectancy knowing that

Campmeeting. the Fair, usually coming the middle when the big hotel was "on earth" dessant place to spend an outing, as for all these, vell as to further the Master's work. This season makes a break, owing to he presence of an epidemic disease in a neighboring town, and other surounding localities, the ending of hich cannot yet be determined, prudence seeming to dictate either the ostponement or the canceling of the ampmeeting. This latter has been one, as the action of those in auhority was for "ind-finite postponement" for this year. It was not a leasant decision for them to make, ut in a time of uncertainty, where ablic health is concerned, and to revent a possible spread of a disease ald in abhorrence by many people, nade possible by the mingling together of persons from many locali- ton. s, the wisest course has probably en adopted.

A no less venerable and popular blic institution to be held in abeyuce for a similar cause is the postconsensat of the Lamoille Valley Fair nat was dated for Sept. 5, 6 and 7 n the grounds north of Morrisville, hough it is to be hoped that condiions will be so changed as to permit its being carried out later on during the balmy days that later September or early October generally brings ere in northern Vermont. To make Mrs. U. G. Stowe was attacked by h more authoritative and save the which is as follows:-

To account of the smallpox which exists Hardwick and other loss lities it has been sitions are favorable it will be held later, repably the last week in Sept. or first week

by nosters will be given.

""" GEO. W. HENDEE, President. It was a very pleasant affair, despite nent, and while President Hendee Richford to-night on another bank the fact that the electric lights failed has been assured by the State Board of Health and local Health Officer that it is probably safe to follow out the original dates for the Fair, he feels inclined to the postponement, last evening and started on their instead of running any chances, and homeward journey to Fort Coving- that such a course will better meet the public feeling. Of course there is no danger here, but the bringing together of thousands of people from far and near, changes the conditions

The Republican Campaign Flag was flung to the breize last Friday Alvin Gregg underwent an opera- ferninst Col. Doty's store to give the people a glimpse of 'Old Glory" in removal of a large portion of his eft grand proportions, and also allow those having the matter in charge a ing Dr. George of Hyde Park, and chance to see if any changes in rais-Drs. James Buckham has gone to Burlington to remain a while before returning to Massachusetts.

"Point Windermere" on Lake Eden healthful village as well as at the is now owned by P. T. Denio, he having purchased F. L. Lilley's interest.

The beavy rain and wind storm flattened out the corn fields considerably, in many places leveling the tall corn to the ground.

R. W. Hulburd addressed a rousing McKinley and Roosevelt meeting at Cambridge Boro last night. He is to speak at North Troy next Thursday evening.

Mrs. Hitchcock and Mrs. Butler, both of New York, who are camping at Highgate Springs, spent Sunday here with Mrs. M. P. Cheney, Mrs. H's. cousin.

All the schools in this town will commence Tuesday, Sept. 4. This change is made because of postponement of the County Fair .- Per Order of School Directors.

The Republican caucus for Hyde Park, to nominate a candidate for Representative and seven Justices of the Peace, is called for Saturday evening next, Aug. 18, at 8 o'clock.

Mess will be said at St. Teresa's church next Sunday at 10.30 a.m., with usual services in the evening. These services will be held here every Sunday bereafter until further notice. Electric lights! If you haven't set-

tled your last electric light bill, don't be surprised if you find yourself in darkness. Time is passed and the Trustees say the law will be enforced without delay. The Democratic caucus will be held Friday evening next at 7:30. Besides

those names we mentioned last week we hear that Frank Strong has many friends in his party who would like to see him nominated. The vaccination business, which has been indulged in quite extensively, is on the let up just now.

Quite a number feel the effects of the 'working," while on others the impression has been light. The man who predicted a drought has missed his "cackerlashen" this summer sure. The "oldest inhabitant" doesn't recollect such a down

pouring of rain as we have had this summer, and the end is not yet. Perry Foster lost his cow Sunday last. A subscription paper to aid Advertised letters-James Cross. him to secure another has received numerous signatures and brought into him about \$30.00. This comes very acceptable as this is the second

cow he has lost. Lewis Whitcomb has secured one of those full-blooded pups from up Green River way and is now spending his spare time in bringing it up in Miss Lizzie Rand of Burlington is the way it should go. There promises to be considerable strife between Lewis and Jinks Strong as to whose dog will make the best hunter.

We publish elsewhere an article on scandal" from an exchange to which we call especial attention, not trip to St. Albans and Burlington that we believe there are any more scandal mongers in Hyde Park than anywhere else, but that the few here might derive some benefit from reading it. In fact, it is good reading

for everybody. Miss Ellen Fitch was thrown from her wheel last Sunday afternoon while coming from E. G. Sherwin's. She was taken to Dr. Genge's for treatment and shortly after went home. The accident proved to be not as serious as at first feared, as aside from a bruise on her forehead she is now all right.

We trust that every loyal Republican will make an effort to attend the caucus next Saturday evening so that there will be a full and free discussion of the merits of candidates for Representative. A solid Republican front must be presented in September. This is a year when a full party vote is needed and the caucus is the place to give expression to individual choice.

The Republicans of Hyde Park will day evening. The speaker will be Vermont's next governor, Hon. W. W. Stickney of Ludlow. Mr. Stickney is a very forcible speaker and will give us a good address. Everybody, including the ladies, are invited to come out. Exercises will begin at 8 o'clock. Don't miss this, the only rally we shall have.

C. H. Crane took an impromptu ride down the line one day last week. Fred Keeler, now in the employ of the B. & M. R., is temporarily freight train at the depot, just to He jumped on to the caboose of a have a little conversation with a friend, expecting that the train would stop at the hide house as it usually does. On this occasion, however, it H. Copley leave the last of this month did not, but instead got under rapid headway while passing that institution. Crane chassed around the car a few times, gave a couple of war whoops and rushed to the door with a view of jumping off, but being not yet ready to give up the hotel business, he finally concluded the best thing to do was to see a man his extreme age is against his recov- pull out his mileage book to pay for enforced transportation when an air brake on one of the cars broke, compelling the train to stop down by Tom Moore's. Crane jumped off and walked home, reflecting upon the uncertainty of certain things.
