THE OWOSSO TIMES.

EDMUND O. DEWEY, Editor.

OWOSSO, FRIDAY, JAN. 6, 1899.

It didn't take the Pingree machine quite one full day to find out that Shiawassee county sent a man to the legislature—a man who could refuse to be browbeaten, bullied or cursed into voting against his convictions.

Rep. Geo. T. Mason will show himself just as fearless in his efforts to advance the cause of equal taxation or any other just measure as he was in his refusal to surrender his right to vote for the man of his choice Tuesday in spite of the dictation of Governor Pingree when the latter, not content with being governor, wished to be the house of representatives as well.

BURROWS A WINNER.

Re-nominated for U. S. Senator by Acclamation—Albert Pack Withdrew—E. J. Adams Elected Speaker.

The senatorial contest ended Wednesday evening by the unanimous re-nomination of Senator J. C. Burrows. The result had been foreseen for weeks by almost every one except by a few blind adherents of Gov. Pingree, who put forth desperate efforts to defeat Senator Burrows. The result is a magnificent victory for the latter, and is highly satisfactory to the great majority of the republicans of Michigan. The fight was in many respects a warm one, although too one-sided to be considered really exciting, as the Senator was sure to receive not less than 86 of the 119 votes in the caucus. The friends of Albert Pack refused to concede that Mr. Burrows would be a winner until after the house caucus on Tuesday evening, when Hon. E. J. Adams, of Grand Rapids, defeated Hon. J. J. Carlton, of Flint, the Pingree-Pack candidate for speaker, by a vote of 48 to 44—the first ballot showing 46 votes for each candidate. Wednesday morning Mr. Pack withdrew from the field and tendered Senator Burrows his congratulations upon the splendid fight made in his behalf by his friends throughout the state.

The outcome of both the senatorial and speakership contest is a decided blow to Gov. Pingree. Indeed, his O.K. mark alone defeated Mr. Carlton for speaker.

THE SUPREME BENCH.

Judge Daboll Will Enter the Race to Succeed Judge Grant.

From St. Johns Republican: The term of Judge Grant as Justice of the Supreme court expires January 1st, 1900. His successor will be nominated in February, and elected at the spring elections. Judge Sherman B. Daboll, of St. Johns, after consultation with friends in various parts of the state, and very many assurances of support, has decided to enter the race.

The judge is now in the prime of life. He has had long experience as a lawyer, and one term and a fraction as circuit judge. His record in the supreme court is good, comparatively few of his decisions being reversed. Governor Luce appointed him quartermaster general, and while he was serving the state in that capacity, the governor appointed him circuit judge on the creation of the 29th circuit. When he ran for circuit judge six years ago, so well had he satisfied the people of the district, that no candidate was nominated against him. He is today much stronger than his party in Clinton and Gratiot counties, and has a very wide state acquaintance and is assured of very strong support in the convention.

Judge Daboll has an honorable record as a soldier, and has filled the office of department commander for Michigan. He is of a remarkably genial disposition, always kind and considerate to others, not forgetting as judge that he was a trial lawyer himself. He is a dominant and elected, he would bring to the supreme bench a strong intellect, untiring industry and unquestioned integrity. His running qualities cannot be beaten, and in this The Republican believes he will surprise even his friends in his strength before the convention. Having entered the race, he will use all honorable means to obtain the nomination.

Representative Mason was very fortunate in securing one of the best seats in the house, his name being the third one called, giving him his choice of seats. He has secured the appointment of Ray Welch, of Byron, as one of the janitors of the house.

Brewer-Everett.

The marriage of Miss Nora E. Brewer, daughter of Mr. and Mrs. E. L. Brewer, to Mr. John E. Everett, of Grass Lake, occurred at four o'clock Tuesday afternoon at the home of the bride's parents on Goodhue street, Rev. Frank Arnold, of Chelsea, officiating, assisted by Rev. S. Breed, of Ann Arbor.

The bride and groom stood under a pretty canopy of smilax during the ceremony. The bride was attended by Miss Nellie Densmore and wore a dress of white albatross with liberty silk trimmings. The groom was attended by his brother, Mr. Henry Everett, of Ypsilanti. A pretty musical feature was contributed by Miss Helen Shanafelt, who played "Oh, Promise Me" upon the piano. Congratulations followed and then the party was served with a wedding dinner while seated at prettily arranged and decorated small tables. The whole effect was pretty and the wedding was a charming one though limited to a small number of guests on account of the poor health of the bride's mother.

Mr. and Mrs. Everett are quite well known in this city. The bride has always made her home in this city with her parents, and has now a large circle of friends by her bright, cheerful ways. She was a graduate of the Owosso high school class of '94 and of the '95 class of the state normal at Ypsilanti. For the last three years she has been a teacher in the Emerson school in this city. Mr. Everett, who is principal of the Grass Lake school, has met Owosso young people on numerous occasions and has invariably made friends here who now congratulate him on his success in winning one of Owosso's fair daughters. Mr. and Mrs. Everett will go to housekeeping at Grass Lake where they will be followed by the congratulations and best wishes of many Owosso friends. THE TIMES adds its congratulations to the rest.

Spain's Sunken Ships Floated.

Perhaps the greatest mechanical feat of the century has been the raising of some of the Spanish warships which were apparently shot to pieces at Santiago. It seemed utterly impossible to float them because of the terrible damage inflicted by our guns, but the task has been accomplished. Diseases of the blood, stomach and liver frequently wreck the health so that their appears to be no chance for recovery. But when Hostetter's Stomach Bitters is taken, the disordered system is speedily restored to its old-time vigor and tone. The Bitters will regulate the liver, bowels and digestive functions and purify the blood. You can buy this remedy in any drug store, and under no circumstances should you accept anything said to be "just as good."

The Doctor may be a good old man, but even so, medical examinations and the "local-application" treatment are abhorrent to every modest woman. They are embarrassing, often useless. They should not be submitted to until everything else has been tried. In nine cases out of ten, there is no reason for them. In nine cases out of ten the Doctor in general practice isn't competent to treat female diseases. They make a branch of medicine by themselves. They are distinct from other ailments. They can be properly understood and treated only by one who has had years of actual practice and experience in this particular line. This is true of Dr. R. V. Pierce, chief consulting physician of the Invalids' Hotel and Surgical Institute, at Buffalo, N. Y. Dr. Pierce's Favorite Prescription, a remedy for all derangements of the reproductive organs of women, has been in actual use for more than thirty years. It cures every form of "female weakness."
