VERMONT SENATE HONORS DEWEY.

Indian War Ended.

Partridge, of Rutland, recommending to congress to restore the rank of Admiral in the navy and to confer the same upon George Dewey, the hero of Manila.

Slayton of Washington a bill to increase the efficiency of Norwich University and to appropriate \$4800 each year or that purpose.

Stearns of Lamoille to continue state normal schools.

Putnam of Washington a bill relating to the payment of the money due the aged soldiers of the Spanish American war.

Mr. Richardson of St. Albans a resolution recommending that the portion of Ex Gov. Grant's message which related to good roads be referred to the committee on highways. Adopted.

Adjourned until Monday.

Opinions Differ.

Paris, Oct. 12.—The Galois says that at the sitting yesterday the peace commissioners devoted their attention to the examination and the solution it is possible to give to two questions in the protocol, the Philippine question and the Cuban debt.

The Americans seem to impose a system of compensation for claims connected with the entire group of Philippines by assuming the debt provided Spain guarantees the Cuban debt.

The Spaniards wish the United States to assume the Cuban debt and hand over to Spain all the war material in Cuba and Porto Rico.

The Americans consider that they cannot discuss the principles forming the base of the protocol and the Spaniards reply to the protocol to Washington at a critical moment and under so pressing a necessity that it would not be considered as expressing the sovereign will of a free nation.

War Averted.

Walker, Minn., Oct. 12.—The Bear Island Pillager Indians will surrender and the war will be averted. It only remains for terms to be arranged before hostilities will cease and the Indians return to the agency. Three peace commissioners who went to the hostile camp yesterday returned this morning.

The Weather.

Boston, Oct. 12.—Fair tonight and Thursday cooler, southwest winds.

To Aid Dewey.

San Francisco, Oct. 12.—The steamer Gaelic sailed for Hong Kong today having on board 40 sailors for Dewey to man the Culgoa one of the Spanish vessels captured.

A Horrible Example.

Yokohama, Oct. 12.—Advices from the capital of Corea state that three men engaged in a conspiracy to poison the Emperor were hanged in prison Monday.

The mob afterwards secured the bodies horribly mutilating them after which they dragged them through the streets and left them in the jail yard.

The wife of one of the men was sentenced to three years and 100 lashes.

From Cuban Prison.

Rockford, Ill., Oct. 12.—Samuel Ensign, an engineer, has returned here an old man and broken down in health after thirteen years imprisonment and suffering in a Cuban prison.

He was an engineer there and because he protected some Cuban women from assault by the Spanish soldiers he was thrown into prison where he was confined for thirteen years and allowed to speak to no one.

He made his escape at last through the aid of priests.

Nicaragua Canal.

Denver, Col. Oct. 12.—Hon. Warner Miller president of the Nicaraguan canal commission said today that the canal is going to be built.

This question was settled by the war and the trip of the Oregon.

There is no doubt in his mind but that Congress favors the construction of the canal and that the dirt will fly soon after the close of the next session.

Control Manila.

Washington, Oct. 12.—The American Consul at Bern in his report to the state department gives information of much value to business men regarding Manila.

He finds that the Chinese control the retail trade in the island and the Spanish next, the remainder including only 300 citizens of other countries.

Keep Away.

Little Rock, Arkansas, Oct. 12.—The Grand Secretary of the Arkansas Grand Lodge of Masons makes public a letter from the Masonic Lodge at Honolulu to the Masonic fraternity urging them to discourage seekers of employment coming to the islands as there is no opportunity for work there and the supply of all trades and professions is already overdone.

Ordered Home.

Milwaukee, Wis., Oct. 12.—The Third Wisconsin Volunteers now at Porto Rico have been ordered home on account of the great amount of sickness in the ranks. A transport is now enroute to bring them home.

GALLAGHER—GIBBONS.

TWO POPULAR YOUNG PEOPLE UNITED IN MARRIAGE THIS MORNING.

Luke B. Gallagher and Miss Catherine Gibbons were married at the Catholic church at 8.30 this morning before a large assembly of relatives and friends.

The bridal couple marched up the aisle to the strains of the beautiful Lohengrin wedding march played by Miss Kate Healey and were united in wedlock according to the services of the Holy Roman Catholic church, Father P. M. McKenna officiating. Mr. Charles LeClair was best man and Miss Mary Gill of Providence, R. I. acted as bridesmaid.

The bride was handsomely arrayed in white silk and the bridesmaid wore orange over orange. After the ceremony nuptial mass was celebrated and the newly wedded couple were driven to the home of the brides parents, Mr. and Mrs. Thomas Gibbons at No. 8 Howard street where a wedding breakfast was served for a small party of relatives and friends.

The happy pair left on the 3.05 train this afternoon for a two weeks stay in Montreal. They have not yet fully decided where they shall make their home on returning to Barre.

Among the many costly wedding presents we noted the following: chamber suite, Mrs. John Gallagher; parlor suite, Thomas Gibbons; easy chair, Joseph Kennedy and Charles LeClair; easy chair, Mr. and Mrs. A. H. Burke; silver tea set, Mrs. Dwire of Burlington; dozen silver teaspoons, Joseph Ryan; silver fish set, Mr. and Mrs. F. H. Burke; water set, Mr. and Mrs. J. C. Fitzgerald; silver bon bon dish, Mrs. Lapresse and Miss Nellie Kennedy; souvenir plates of Burlington, Mrs. Thomas Wheeler; silver fruit dish, Mr. and Mrs. Kemp; silver cake basket, Mrs. Zottman, Misses Maud Zottman and Sadie Reynolds; bed spread and towels, Mrs. Milne; paper rack, Miss Rose Foy.

ANOTHER SERIOUS RUNAWAY.

As Miss Elsie Clapp was driving down the Plainfield road, or the upper end of Merchant street this morning the horse stumbled on a collection of rocks in the middle of the street, and broke the hip straps of the harness letting the breechen drop about her heels.

Immediately there was a lively runaway. In spite of all Miss Clapp's efforts to stop her the mare ran to the top of Currier Hill and just there she collided with Hiram Drury's team containing Mrs. Drury and Miss Whitcomb. It seems that Mr. Drury's horse became alarmed at the approaching runaway and backed partly across the street and when Mr. Clapp's team arrived the wheels locked and a fine mixup followed.

Miss Clapp was thrown violently out and her team continued on its mad career down the hill with the concord buggy first one side up and then the other. The horse stopped at the foot of the hill and stood quietly there till F. D. Ladd's delivery clerk, Warren Hayward, arrived on the scene and liberated her from the overturned wagon. Mr. Clapp's wagon had one thill broken and the horse's hind legs were very badly cut. She was taken to Pages livery stable for treatment.

On the top of the hill were Mrs. Drury and Mrs. Whitcomb uninjured, but with the off hind wheel of their carriage a total wreck. Their horse never moved after the collision till led down street by Mrs. Drury in search of another carriage in which to continue her journey.

Miss Clapp was assisted into E. M. Taintors house and strange to say was comparatively uninjured. Her face was slightly scratched and she had several sore places on her arm and shoulder but was otherwise apparently uninjured. All the parties concerned may thank their lucky stars that they escaped so easily.

A Card of Thanks.

We wish to express our heartfelt thanks to the many friends who so kindly assisted us at the time of our bereavement and we especially wish to express our gratitude to the teacher and schoolmates of our dear one, the members of her Sabbath School, and the members of the Junior League, whose kindness of heart prompted the generous gifts of flowers for the funeral.

Mrs. Wilson had been a resident of Seattle for about seven years and was well known in society circles. She was a member of the Unitarian church and had been very active in all its works.
