LOSS OF THE STEAMSHIP COLUMBIA. |

left Boston on the 1st inst, was wrecked upon for her statements. Black Ledge, near Seel Island, Nova Scotia, on the 2d inst, on her passage to Halifax. Intelligence of the disaster was forwarded by express to Boston. When the vessel which brought the intelligence left, the steamer was going to pieces, and probably would be a total wreck. The passengers, baggage, &c. were saved.— The following letter from Hon Abbott Lawrence of Boston, who was a passenger in the Columbia, gives the full particulars of the unfortunate occurrence:-

SEAL ISLAND, July 3d, 1843. My dear Son-We left Boston at a quarter past 2 o'clock

to say, that the ship was in charge of the Pilot—of course he is exhonerated from all

### From the Portland American. DEATH OF HON, JOHN HOLMES.

This gentleman-so well known not only in this State but throughout the Union-died yesterday afternoon about 4 o'clock in this city, filer a very protracted illness.

He was of Massachusetts origin, having been be far better than their ill-will. botn on Cape Cod; but while quite a young man be settled in this State. While yet in early life, he was a member of the Mussachuplayful and occasionally rough wit, and his su-perior powers of debate. When Maine became 'sure cure for a cancer.' State, he was a member of the Convention to

wards a member of our State Legislature one a man's shoulders, and bears a cluster of or two sessions. He was appointed U. S. District Attorney for Maine by Gen. Harrison, dy to my satisfaction.

which office he held at the time of his death.

Mr Holmes has been a member of the bar over forty years, and has ever enjoyed an elevated and enviable reputation in his profession.

The above having been found efficacious and upwards of seventy years of rge.

ARREST OF JOE SMITH .- Joe Smith, it appears, Assert of Jos Smith.—Joe Smith, it appears, has been arrested in Illinois, near Dixon, by the sheriff of Jackson country? Missouri, charged of ceeded from some fire arms, with which a lot of treason against the State.—Joe had been on a visit reason against the State.—Joe had been on a visit reason of his relations, and advantage was taken gate & Borden's Store. From what folly did this of that circumstance to arrest him. What disposition would be made of him was not yet known.—serve as a warning to parents, if it imparts no use-the says he is willing to be tried in Illinois, but not ful lesson to the young and thoughtless? One in Missouri.

The writer of the following communication, ] The British Mail Steamer Columbia, which and not ourself, must hold herself responsible

MR. RYTHER: - Having noticed the communications in your paper concerning a Washing and Ironing establishment, I for one cannot agree with the Housekeeper and Dorothy.-They say they have to get their washing done when they can pay fifty or seventy-five cents a day, thank them, and give them two meals beis more deserving thanks than they are. You say if you do your washing one day, it wholly unfits you for labor the next. What, in the name of conscience, can you think of the poor women that come to your houses? They are on the 1st instant, and experienced a most obliged, many of them, to get breakfast for I, (it being loggy,) the Columbia struck on the Black Ledge, one and a quarter miles distant from this Island, at high water.—
When the tide began to ebb, we saw large rocks on the larboard side, about 10 fathoms distance, and a long reef not a cable's length from us. Before half the tide down, these rocks were 4 feet above the rocks were 4 feet above the water.
