-The shipments of butter from St. Al-bans during the month of June were 311,lana during the hondr of such 250 lbs.

—Major Harvey Tenney of St. Albans, for many years Master Bridge Builder of the Vermont and Canada railroads, died at St. Albans, July 4th. His age was about

St. Albans, John M.
St years,
—John P. Hewlett, of Willoughby Lake,
bad a fearful struggle with a large water
sinke a few days ago, and the snake finally
got around Mr. Hewlett's neek and strangled him. He leaves a widow and nine

children.

—The firemen's muster at St. Albans on the 1th was a fizzle. Only one machine contended for the honors, the "Water Witch" of Northfield, which took the first prize of \$100 without a contest.

—A special meeting of the Vermont Historical Society will be held at Rutland, Juty 23th and \$0th. Interesting papers and addresses are being prepared by well known gentlemen of the State for this occasion.

—An accident occurred during the Sab-bath school celebration in Lincoln on the "Fourth." A cannon exploded in the thees of six persons, the odiest a young man of twenty-four. It is doubtful whether two of them will recover, and the others were isally burned. The gun was carelessly managed.

Managed.— M the annual meeting of the Trustees of Norwich University, Rev. George Burder Eastman of Michigan was elected President, Capt. Curtis of the United States Army was elected Professor of Military Tactics, Rev. Dr. Bourns and General Jackman are still connected with the University. The future prospects of the institution are very favorable.

-Successful, Because of Superior Merit. Mrs. S. A. Allen's Improved (acc style). Hair Reserver or Dressing (is one bottle). Every druggist sells it. Price one dollar. "Too Many Colors, and more Shades than I like to see, has been my experience," says the Rev. Geo, Pearce, of Warren, Ohio, by using any other than "Harrett's Hair Rostoralive.

-Dr. A. Johnson, in an extensive pra-

— br. A. Johnson, in an extensive prac-tice of over twenty years, invented and used Johnson's Anadyne Liniment. It has now been in use more than forty years, and has established a reputation unsurpassed by other medicine.

by other medicine.

—Incomparable, Grave's Celebrated Sales is conceded by all to be the best preparation for the cure of cuts, burns, wounds, scalds, sprains, and entaneous discases and cuptions generally. In places distant from medical aid it will be found invaluable, and in the nursery it should always be at hand.

BAY STATE MOWER.

ther capacity.
This Mower is the result of long experience, derived see variou and severate experiments extending from yearly years, in every wariety and condition of gras-tic. It has been subjected to the most thorough prot-tice by those who have purchased it, among whem a close farmers of the country, and its operation has warished been pronounced to be in every way satisfac-

, the following may be named: It is free from side draft.

It has no more weight on the tongue, or horse, than a wagen pole. d. It has the lightest attainable draft. It runs on large wheels, three feet high, while b. It has an adjustable cutter-bar, and account milto any uneven surface of the ground.

 Either end of the cutter-bar can be raised separate y, at will, or both ends together—which can not be don a any other Mower without the use of Gerc's leve The driver can see every box, bult and all the gras when the machine is in motion. , when the machine is in motion.

The cutter-bar can be folded up in half a minut
machine being thus made as portable as a commot or wagor, without removing the connecting-knife of
clearer.

of stubble desired.

10. The combinations of the machinery are an exact adapted to produce the desired result in the enting of tigrass, and the various parts are so perfectly fitted to ear other, that the machine wards with extre accuracy, tastly kept in order, and not liable to get out of repair.

11. The Mower can be thrown in and out of goar is standly, with the presided case; it is more simple and perfect in its construction, and combiness lightness and adquate strength in a higher degree than any other Mower mass.

A thorough examination of my Movers by the Farmer and all persons who are in any way interested in Mowing Muchines is invited, feeling confident that all who exam er will approve them.

YOUNG AMERICA. Messenger Trotting Stallion, was bred by A. Mar-e of Fiathesh, Long Island; was bought at execu-sale by his present owner, George C. Hall of New On's case by his present owner, George C. Hall of New York.

Young America was feated May 1859. Is an iron grey with black points, 15 hands 3 loches high, and weight 1250 points. He is a handsome, powerfulgeing horse of mobile strick and action, and as the size of trotters has proved himself one of the very best in the country.

He has never got a cold yet that was not of more than celliney premise, and cut of our colds get by him when a years oil, all could show a three-nimed gait at 3 years oil, and one was sold for \$1400, the only cold ever sold his get at the present time, so far as known. Farmers in the vicinity of Bratischero who have colds of one and itso years oid, are asking from \$300 to \$1000 for them, so will are they appreciated.
