INVADERS THE NUNNERY

A Gay Young Lover Secures His Sweetheart in Spite of Fate.

OBJECTING PARENTS ARE OUTWITTED

By the Clever Use of a Determined Young Man—News of the Great Commonwealth Gleaned From the Daily and Weekly Exchange.

Love affairs are always lovely to talk about even when it doesn't concern you. A Hillsdale college student has just closed a successful love drama wherein he won a bride in spite of lock and key. Will McCurdy, the young man in the case, loved Miss Dickerson, a pretty 18-year-old girl of Indianapolis. The girl, like Barkus, was willin', but the parents were not. They did not consider her to be marriageable age, so they sent her to a convent at Minneapolis to remain until she should have arrived at an age of discretion. But young McCurdy wasn't to be bluffed in that way. He hid him to the city of his love and laid his plans to secure his prize. He, clever boy, hired a bad, bad man to go to the nunnery, armed with parental authority, to take the girl home for a visit. Once outside the walls, ye gods! what a happy meeting and what goesome chuckling. They took the first train for Michigan and a Hillsdale clergyman married them. After the indissoluble band was welded, the doubting couple started for Indianapolis to secure the family blessing. The result can probably be foreseen.

The World Moves.

Don't dispute everybody with the offensive odor from your catarrh just because some old fogey doctor, who has not discovered and will not believe that the world moves, tells you it cannot be cured. The manufacturers of Dr. Sage's Catarrh Remedy have for many years offered, in good faith, \$500 reward for a case of nasal catarrh, no matter how bad, or of how long standing, which they cannot cure. They are thoroughly responsible financially to any one who can learn by proper enquiry through druggists, (who sell the medicine at only 50 cents), and they "mean business."

Electric Bitters.

This remedy is becoming so well known and so popular as to need no special mention. All who have used Electric Bitters sing the same song of praise—A purer medicine does not exist and it is guaranteed to do all that is claimed. Electric Bitters will cure all diseases of the Liver and Kidneys, will remove Pimples, Boils, Salt Rheum and other affections caused by impure blood. Will drive Malaria from the system and prevent as well as cure all Malarial fevers. For cure of Headache, Constipation and Indigestion, try Electric Bitters. Entire satisfaction guaranteed, or money refunded.—Price 50 cts. and \$1.00 per bottle at Peck Bros' Drug store.

A Child Killed.

Another child killed by the use of opiate given in the form of Soothing Syrup. Why mothers give their children such deadly poison is surprising when they can relieve the child of its peculiar troubles by using Dr. Acker's Baby Soother. It contains no opium or morphine. Sold by all druggists.

Pronounced Hopesful, Tet Saved.

From a letter written by Mrs. Ada E. Hard, of Groton, S. D., we quote: "Was taken with a bad cold, which settled on my lungs, cough set in and terminated in Consumption. Four doctors gave me up, saying I could live but a short time. I gave myself up to my Saviour, determined if I could not stay with my friends on earth, I would meet my silent ones above. My husband was advised to get Dr. King's New Discovery for Consumption, Coughs and Colds. I gave it a trial, took in all, eight bottles; it has cured me, and thank God I am now a well and hearty woman." Trial bottles 10c at Peck Bros' Drugstore, regular size, 50c and \$1.00.
