Many Cases—Few Failures, Many Cures.

Probably no other ailment has received as much attention from scientists as has Rheumatism. Thousands suffer from Rheumatism where other diseases can claim only hundreds.

It attacks the rich and the poor, the fat and the lean, the young and the old, the robust and the frail, the strong man and the weak woman.

Some cases baffle the skill of the most scientific practitioners. One treatment will cure four cases, and fail utterly on the fifth. No one can honestly promise that any one remedy will cure all cases of Rheumatism. In this store we have calls for and sell scores of remedies for Rheumatism. We have watched results in many cases and because of what we have seen them do we recommend DIKE'S RHEUMATIC COMPOUND for internal treatment and DIKE'S RHEUMATIC LINIMENT for temporary relief for the intense pain. Come here for all Dike Preparations.

OBITUARY.

Be still prepared for death and death or life shall thereby be the sweeter.—Shakespeare.

William H. Smith, son of Francis and Mary Smith, who departed this life November 22, 1912, was born at Newmarket, Ont., January 6th, 1868. In 1878 he came to Michigan with his parents. He was one of a family of twelve children, four of whom have departed this life. When a young man he learned the trade of a stone cutter and has traveled in different cities meeting a large number of people. By his pleasing and agreeable manner he made many friends who will learn with deep sorrow his early demise. He was a kind and affectionate son and brother, and will be greatly missed by his three sisters and four brothers.

Funeral at M. P. church on Saturday Nov. 23, at one o'clock. Rev. Charles Bragg preached the sermon. Interment in Elmwood cemetery.

The brothers and sisters of William H. Smith desire to express their appreciation for the many kindnesses shown during their late bereavement also to the choir for the beautiful hymns rendered and to those who sent floral offerings.

Don't forget the church fair and if anyone wishes to place an order for a certain article to be made, advise the president Mrs. James Wallace.
