

It's Handy To Have Around

Rexall Mentholine Balm is one of the most useful, all-round remedies ever devised. Every family should have it on hand for emergency's sake.

Rexall Mentholine Balm

is a combination of valuable antiseptics, among which is a prominent one is menthol, that for many years has been known to be a reliable antiseptic and anodyne, or pain reliever. Non-poisonous, it is entirely safe to use either externally or upon the membranes of the mouth, nose or throat.

Rexall Mentholine Balm is especially recommended for sunburn. Its soothing, cooling, comfort restoring properties will be found a great convenience.

A Truthful Ad

About a TRUTHFUL SALE

FIRST—Believe What You Read Here.
SECOND—Profit By Your Belief.

J. I. Rosenthal Inaugurates, Beginning Today, a Most Important

Stock Reducing Sale

Men's and Young Men's

Summer Suits, Top Coats and Raincoats

The extremely cool Spring and Summer weather has curtailed the sale of light weight clothing to such a marked extent that our progressive merchandising policy calls for some drastic action. The May and June just passed which have been the coolest in years, has seriously put back the sale of light weight suits.

In consequence, stocks are much heavier than normal and some astounding price cutting has been resorted to in that event.

\$10.00 Suits for Men and Young Men now.....	\$7.50	\$20.00 Suits for Men and Young Men, now.....	\$15.00
\$15.00 Suits for Men and Young Men, now.....	\$11.00	\$22.00 Suits for Men and Young Men, now.....	\$16.50
\$18.00 Suits for Men and Young Men, now.....	\$13.50	\$25.00 Suits for Men and Young Men, now.....	\$18.75

Little need is there to speak of the desirability of these Suits. The advantages of this sale are so apparent it is hardly necessary to mention them, and men will readily see the money saving opportunity when such splendid assortments are offered and such extraordinary prices prevail.
