Look Out For This Guy

Posing as J. E. Pierce, son of the head of the well known Pierce Medicine Co., of Buffalo, N. Y., a prepossessing stranger of charming personality, succeeded in working upon the credulity of Mrs. Sarah Cooley, of Dryden, to the tune of \$500.00.

He told her she had a cataract growing on her eye, and that by the use of some radium, he could remove it with no pain to her. She consented and when the operation was finished, he said he would take nothing for his services but that Mrs. Cooley could pay for the radium, which amounted to the trifling little sum above mentioned. The money was paid, while later the woman's suspicions were aroused. The officers were notified, who have not yet been able to locate the "eye doctor."

Wanted—Men or women to take orders among friends and neighbors for the genuine guaranteed hosiery, full line for men, women and children. Eliminates darning. We pay 75c an hour spare time, or \$36.00 a week for full time. Experience unnecessary. Write International Mills, Norristown, Pa. 29.

When Every Move Hurts

Lame every morning, achy and stiff all day, worse when it's damp or chilly? Suspect your kidneys and try the remedy your neighbors use. Ask your neighbors.

Mrs. Robert Herron, Mary St., gave the following statement on July 28, 1909:—"At the time I began using Doan's Kidney Pills, I was suffering everything with my back. It hurt me to stoop over and I couldn't be on my feet for any length of time without having sharp shooting pains through my loins and back. My head was also dizzy and pained a great deal. I used everything I heard of, but could get no relief until I began with Doan's Kidney Pills, which I got from Holden's Drug Store. I noticed an improvement in my health right away and had not used quite three boxes when my health and strength was completely restored."

Uses Doan's Occasionally On August 7, 1919, Mrs. Herron said:—"I gladly confirm my statement regarding Doan's Kidney Pills. Doan's are a grand remedy and I couldn't get along without them. I have used them since and the benefit derived has always been of the best."

He has been extracting teeth for the last 15 years. Does not use chloroform or ether. No vitalized air or gas. Positively not any cocaine. Nor any of its derivatives. His anesthetics are his own invention.

No one else is using them, neither can they use them. Not any unnecessary sore gums. No bad after effects. No dental chairs. Every instrument is thoroughly sterilized.

It always was so and always will be. Teeth broken off are especially solicited.

So are teeth that others could not get out. In about one-half of his work, Dr. Smith does not use a forcep at all. Remember the day, place and DATE

**Straighten Up**

THE man or woman afflicted with backache, swollen muscles, stiff joints, rheumatic pains or other symptoms of kidney trouble is entitled to sympathy and should have help. Nature gives early warning of kidney trouble by puffiness under eyes, spots before the eyes, dry mouth, biliousness, weakness and pale, waxy, dry skin. It is unwise to neglect the slightest symptoms of kidney trouble. Give the kidneys the help they are crying for.

**Foley Kidney Pills**

tone up weak, inactive, sluggish kidneys and help rid the body of poisons. With kidneys and bladder properly functioning, appetite is restored, refreshing sleep is possible and health, strength and energy come as a natural result.

C. F. Reynolds, Elmira, N. Y., writes: "Three months ago I was sick in bed with kidney trouble. My back ached so severely I could not get up. We read of Foley Kidney Pills, so I sent for some and commenced taking them. In a few days I was out of bed and upon keeping the treatment up for some time I was able to go to work. Since then I have had no more backaches and so trouble with my kidneys."
