The Store Will Close Friday Evening at 5 P. M. to Rearrange Stock and Mark Down the Goods.

Next Saturday Morning at 9 O'clock

our doors will open upon the grandest and most novel sale of merchandise ever held in Sisseton. This makes the sixth sale of this kind that we have conducted and each time we have put this on has been greater than the one before. For weeks we have scanned the markets and have been fortunate in getting bargains so great that this will make one of the biggest bargain events ever attempted in the northwest.

We want every person in this county to visit us next week to see what real bargain giving is. Red price cards throughout the store tell a tale of profit destruction that you can scarcely believe until you see it with your own eyes. Every price for this sale is 13 cents, and the goods that sold formerly for 15, 20, 25 and even 50 cents have been made up in bargain lots and the prices marked down to 13 cents. 13 Cents in flaming red is the mystic price that rules the hour. A dollar spent at this Thirteen Cent Sale will pay you the biggest interest a dollar ever brought. Come and see how much goods you can carry away for it. The sale will last for at least one week and possibly longer. But we want to urge you to come early for many of these bargain lots will go in a hurry. Read prices below and come.
