

ANNOUNCEMENT.

I hereby announce myself as a candidate for the office of COUNTY ASSESSOR...

NOT A FAIRYTALE.

THE JOURNAL will print the legislative record and roll calls regardless of who it hits.

At Harrisburg city election following nominees were successful viz: For recorder, G. W. Isham; treasurer, Damon Smith...

The new marble Episcopal cathedral at Washington, D. C., is to cost \$15,000,000.

The Eugene Guard says a dance out of the usual order is to be given at Springfield next Monday evening.

Dave Craig, the only farmer in the last legislature from Marion county, made the cleanest record of any man who went there.

After all, it was simply a question of loyalty to the old Portland ring in the last legislature.

Citizens, if you want reform in your state and county government don't pledge yourself to any candidate or slate until you know where he stands on that question.

It is a little hard for the people of Oregon to be taxed in the name of education to provide soft snags for such patriots as Tony Noltner and E. B. McElroy.

With a corrupt enrollment and packed primaries, Platt has the New York county organization well in hand and will use it to nominate Reed.

The managers will have a hard time to keep people voting three or four tickets in Oregon to save the machine.

Wheat has touched the 50 cent mark and would go to a dollar if there were any money in circulation.

The Portland ring don't want anything better than three or four parties in the field this year.

WEAK MEN

CURED AS IF BY MAGIC. Victims of Lost Manhood should read at once for a book that explains how full manly vigor is easily, quickly and permanently restored.

Dave Guthrie is now the only Democratic farmer on the State Board of Agriculture and he don't know whether he is on it or not.

Holding only from four to six offices a year at the hands of the Republican party, the Statesman could well afford to treat all Republicans fairly.

The Oregonian says there were too many Republicans in the last legislature anyhow. It don't want so many there it can't run.

It is to be hoped all the details of the hospital clinics will not be spread before the public of this city. It is not done elsewhere.

For a man who has always pointed out to the silver sinners the error of their ways Gear has not been used well by the goldbugs.

Jo. Manley says Democrats at Chicago will adopt a free silver platform and put up Cleveland on it.

[It is an old custom for the legislature to supply itself codes, session laws and supreme court reports.

While they were voted, no one was obliged to take these perquisites who was conscientiously opposed thereto.]
