

## WILL NOT IMPORT STRIKE-BREAKERS

EMPLOYERS SAY THEY WILL TRY TO PERSUADE THE OLD TEAMSTERS TO RETURN OR SUPPLY THEIR PLACES WITH PORTLAND MEN.

[UNITED PRESS LEARNED WIRE.] Portland, Ore., June 4.—The draymen's association announced today that its members would not import strikebreakers from California or Washington to break the transfer teamsters' strike for a twenty-five cent wage increase unless other methods fail.

The announcement was made in reply to a rumor that professional strike breakers were to be sent to Portland from San Francisco.

President Herman of the Holman Transfer company, said:

"We shall either try to persuade our old teamsters to return to work or shall replace them with Portland teamsters, if the old men refuse to consider our advances. As a last resort it might be necessary to import teamsters."

The strikers have picketed every barn in the city and every dock and warehouse. Strike leaders declare that the fight for higher wages is practically won.

Only one arrest has thus far been made. William H. Jobs, president of the Jobs Milling company, of St. Johns, a suburb, was arrested late yesterday and charged with having drawn a revolver on a party of union pickets.

Word has been received that the executive board of the International Brotherhood of Teamsters has voted \$35,000 to support the strike.

But They Kick at Wages.

[UNITED PRESS LEARNED WIRE.] New York, June 4.—A \$30,000,000 stock dividend will be declared at the stockholders' meeting of the Singer Manufacturing company, June 18. The dividend is 100 percent and the company has a surplus of \$30,000,000.

## WILL PROSECUTE HIS ASSAILANTS

Vancouver, Wash., June 4.—Still weak from the terrible beating he received from the irate mother of his fiancée, Rev. C. M. Smythe, minister of the First Methodist Episcopal church of Ridgefield, is in Van-

cover today for the first time since he was beaten.

Smythe said that he would file information against Rock Soden, the man who held him, and Mrs. Marion L. Lane, who wielded the club, charging them with assault with a dangerous weapon.

He has been in conference with Prosecuting Attorney Stapleton concerning the assault.

After Smythe was beaten he was confined to his bed for several weeks, suffering from concussion of the brain and fever.

Mrs. Lane and Soden, who is a relative of the woman already have been convicted of battery for beating the clergyman.

Mrs. Lane said she chastised the minister because he had not been properly treating her daughter to whom he was engaged.

## NICARAGUAN WAR IS ABOUT ENDED

[UNITED PRESS LEARNED WIRE.] Bluefields, June 4.—The administration forces of President Madriz are reported utterly demoralized, and in danger of capture or annihilation. General Chavarria and his entire staff have been captured and are held as prisoners of war, following a fierce battle today near Rama.

General Mena, assisted by General Chamorro's army, surrounded the administration troops, after having cleverly trapped them. Chavarria was captured while attempting to escape to the interior.

Fighting lasted three hours, and it is estimated that 100 were killed and 400 wounded, many of the government dead being left on the field.

It is believed that the American government will now recognize the Estrada administration. On the advice of U. S. Consul Moffatt, vessels entering Bluefields are paying duties at the Estrada custom house.

The Madriz forces have captured William D. Pittman, an American insurgent engineer, who was court-martialed.

## WOODMEN PICNIC A GREAT SUCCESS

PARADE WAS FINE WITH MANY HANDSOME FLOATS AND THE ATHLETIC STUNTS DRAW BIG CROWDS—MANY INITIATED.

The Modern Woodmen of America closed its annual picnic Saturday evening by assembling in the Woodmen hall, and initiating a large class into the order. There were about 300 in attendance, and after the initiation work was concluded everybody sat down to a feast of Oregon strawberries, cream and cake. The picnic from every point of view was pronounced a splendid success.

Prizes Awarded.

The Modern Woodmen of Chemawon won the prize for the handsomest float in the parade which occurred in the forenoon. The prize consisted of a silver cup, and a cup was also awarded the Royal Neighbors for their float.

The prize for the best decorated automobile went to T. B. Jones, and the \$20 prize for the handsomest decorated stroller was awarded to E. T. Barnes, of the Barnes Cash Store. The Brooks lodge won the \$15 silver cup offered for the log rolling contest, and the prize for the tug of war—a \$25 cup went to the Chemawon team.

In the competitive drill held late in the afternoon the Modern Woodmen team of this city carried away the prize—a \$40 silver cup. The Salem team also won the prize offered for the relay race, which was a \$20 silver cup, and in the 100 yard dash John Holman, of this city won the \$10 silver cup offered.

One of the most interesting contests of the day was a ball driving contest participated in by eight women. It was won by Mrs. John Scott of Scott's Mills.

Scared Into Sound Health.

Mr. B. F. Kelley, Springfield, Ill., allowed his kidney and bladder ailment to run on until his condition alarmed him greatly. Then he took Foley Kidney Pills with splendid results. He says: "About a year ago I began to be troubled with my kidneys and bladder, which grew worse until I was alarmed at my condition. I suffered also with dull heavy headaches and the action of my bladder was annoying and painful. I was feeling very miserable when I read of Foley Kidney Pills. After taking them a few weeks I found myself free from all distress, the headaches no longer troubled me, and the action of my kidneys and bladder was once more normal. This is due entirely to Foley Kidney Pills in which I have great confidence." Sold by J. C. Perry.

Pain anywhere stopped in 20 minutes sure with one of Dr. Shoop's Pink Pain Tablets. The formula is on the 25-cent box. Ask your doctor or druggist about this formula! Stops womanly pains, headache, pain anywhere. Write Dr. Shoop, Racine, Wis., for free trial to prove value.—Capital Drug Store.

Any lady reader of this paper will receive, on request, a clever "No-Drip" Coffee Strainer Coupon privilege, from Dr. Shoop, Racine, Wis. It is silver-plated, very pretty, and positively prevents all dripping of tea or coffee. The Doctor sends it, with his new free book on "Health Coffee" simply to introduce this clever substitute for real coffee. Dr. Shoop's Health Coffee is gaining its great popularity because of: first, its exquisite taste and flavor; second, its absolute healthfulness; third, its economy—1½ lb., 25c; fourth, its convenience. No tedious 20 to 30 minutes boiling. "Made in a minute" says Dr. Shoop. Try it at your grocers, for a pleasant surprise.—J. W. Harritt.

This is the time when the infant phenomenon epidemic is raging in the land. A lad of 15 in Connecticut has a license to preach. With children filling pulpits in churches and chairs in universities, the wisdom of age and experience must resign itself to a back seat.

In sickness, if a certain hidden nerve goes wrong, then the organ that this nerve controls will also surely fail. It may be a stomach nerve, or it may have given strength and support to the heart or kidneys. It was Dr. Shoop that first pointed to this vital truth. Dr. Shoop's Restorative was not made to dose the stomach nor to temporarily stimulate the heart or kidneys. That old-fashioned method is all wrong. Dr. Shoop's Restorative goes directly to these failing nerves. The remarkable success of this prescription demonstrates the wisdom of treating the actual cause of these failing organs. And it is indeed easy to prove. A simple five or ten days' test will surely tell. Try it once, and see! Sold by Capital Drug Store.
